GENTLEMEN,—At the request of many influential electors of your Ward, I have consented to offer as candidate at the approaching election for your representation in the City Council.

Should you be pleased to elect me, my heavy support will be given to all measures of reform in civic affairs, and more especially to such as shall tend to reduce the annual expenditure of the city without detriment to its general interests.

**NOTICE.**

SEALED TENDERS, addressed to the undersigned, and endorsed "Tender for Indian Supplies," will be received at this office up to noon on **TUESDAY 20th APRIL, 1886**, for the delivery of Indian Supplies during the fiscal year ending 30th June 1887, consisting of Flour, Bacon, Beef, Groceries, Ammunition, Wine, Oxen, Cows, Bulls, Agricultural Implements, Tools, &c., duty paid, at various points in Manitoba and the North-West Territories.

Forms of Tender, giving full particulars relative to the supplies required, dates of delivery, &c., may be had by applying to the undersigned or to the Indian Commissioner at Regina, or to the Indian Office, Winnipeg.

Parties may tender for each description of goods (or for any portion of each description of goods) separately, or for all the goods called for in the Schedules.

Each Tender must be accompanied by an accepted Cheque, in favor of the Superintendent-General of Indian Affairs on a Canadian Bank, for at least five per cent. of the amount of the tender. In Manitoba and the North-West Territories, tenders will be forfeited if the party tendering declines to enter into a contract when called upon to do so, or if he fails to complete the work contracted for. If a tender be not accepted, the cheque will be returned.

Tenderers must make up in the Money column in the Schedule the total money value of the goods they offer to supply, or their tender will not be entertained.

Each tender must, in addition to the signature of the tenderer, be signed by two sureties acceptable to the Department, for the proper performance of the contract.

In all cases where transportation may be required, partial by rail, contractors must make proper arrangements for supplies to be forwarded at once from railway stations to their destination in the Government warehouse at the point of delivery. The lowest, or any tender not necessarily accepted.

L. VANKOUGHNET,  
Deputy of the Superintendent-General  
of Indian Affairs.  
Department of Indian Affairs,  
Ottawa, 3rd March, 1886.
