If there is a history of weak lungs in your family, take Scott's Emulsion.

It nourishes and invigorates.

It enables you to resist the disease. Even if your lungs are already affected, and if besides the cough you have fever and emaciation, there is still a strong probability of a cure.

The oil in the Emulsion feeds; the hypophosphites give power to the nerves; and the glycerine soothes and heals.

50c. and \$1.00, all druggists.
