### GOSPEL MEETING.

**A**T this meeting the attendance has largely increased. Last Sunday evening the seats in the body of the Hall were filled. We feel grateful that so many are being sent in to hear the gospel. Will not our Christian friends make this meeting a subject of continued prayer that the power of the Spirit may rest upon it.

### OUR PRAIRIE PROVINCE.

**W**E have received No. 1 of the Monthly Bulletin issued by the Y.M.C.A. of Portage la Prairie. We welcome this neatly printed sheet, not alone for its tale of interest concerning the work, but for the fact that it shows on the list of workers some who were formerly fellow-laborers with us in Toronto. Mr. A. D. Kean, one of our former active members, is leader of the Young Men's Bible Class held weekly. The Rooms of the Association are open every evening from 6 to 10 and the Secretary is in attendance from 7 o'clock. We expect to hear good news of the work.

The Association at Winnipeg continues to do a good work for the Master. The ranks of the workers are being reinforced, some going from our own city. Bro. Powell, a tried and faithful worker, left us last Monday for that point, and from what we know of his zeal, he will not be long finding a place among the *active* workers in Winnipeg.

Thus the Lord opens up new fields and transfers His workers. We admit there are regrets at losing the companionship and aid of such, but if HE needs them elsewhere, we should be content. One thing we praise Him for — He has ever raised up new workers to fill the gap, and we know He will continue to do so.

### UNIVERSITY ASSOCIATION.

**T**HE "Toronto University Association" the work is very encouraging. The meetings are largely attended, the average being over 50, while on one occasion over 100 were present. Mr. Wrong has been re-elected president.
