CHARLES AUSTIN BATES,

"Mr. Bates' Masterpiece. It is interestingly and readably written—more readable than one would believe possible on so hackneyed a subject as advertising—and it is illustrated by pictures intended to lend a humorous turn to many of the sentences in the text. For those who want a general idea of advertising principles the book will be found valuable, and even the readers to whom its subject is more than familiar will find it an interesting companion for a leisure hour. It is full of apothegms, every one of which rings with a true note."—Geo. P. Rowell.

"Excellent Work."—Buffalo Evening News.
