

Be on Guard against Inferior Goods

Some things never seem to pass into the realm of certainty. With Silverplate that bears the brand of this factory we have an illustration of opposite conditions. The degree of perfection, beauty of design, and durability of wear that marks every piece of Silverware from this factory, is something around which there never clusters a doubt. The brand is a guarantee of the highest in manufacture in this particular line. Insist that your dealer gives you Silverplate marked Standard.
