TO HOLMAN PAD CO., 116 Hollis St., Halifax.

GENTLEMEN, I suffered for many years from an impaired digestion an evil which rendered me anything but an agreeable companion. At times, during an especially bad attack the pain in the region of the heart would be terrific, causing me to become insensible in a moment. I tried any remedy, but without any permanent benefit; my appetite would be invariably worse than the first; until I concluded to try one of the Holman Liver Pads. During the first two weeks of wearing it, I thought it was like the many other remedies I had tried, unable to reach my case, but then I gradually began to grow better, a fact I rec'd in being able to lie up on my left side for quite a long time without inconvenience. I continued wearing the Pad, and was at only in day time for two months longer; at the end of which time I ceased to be troubled with indigestion altogether, and spasms at region of heart are but of very rare occurrence, and these I have no doubt, will ultimately cease. Perhaps a little further information from you on this point would have been desirable. Without troubling you with further details of my complaint and sufferings, I have only to add that I can confidently recommend the Holman Liver Pad and Balm, from personal experience of the benefits derived from their use, and I consider that I am not oversteering their value to those similarly affected as I have been. Yours faithfully, C. C. PRESTON.

TORONTO GENERAL HOSPITAL

INCORPORATED. ESTABLISHED IN 1810.

This is one of the largest establishments in the Dominion, numbering its Patients by Hundreds, and with a numerous Staff of Physicians.

In order to be thoroughly satisfied that

EAGAR'S COD LIVER OIL was superior to all other preparations in the cure of Consumption, Acro-ulca and all other wasting diseases, Mr. Eagar sent some dozens of his Cream to Dr. O'Reilly, General Superintendent of the above celebrated Institution, and requested that its action be compared with that of other remedies for wasting diseases, and a fair report returned to the latter. After a trial of 5 months, Mr. Eagar received the following reply:

TORONTO GENERAL HOSPITAL, Established 1810, Toronto.

M. F. EAGAR, Esq., Halifax, N. S.

DEAR SIR,—I am very highly pleased with the action of your Cod Liver Oil Cream. It has been used in the Hospital in pulmonary and other wasting diseases with success. Will you kindly let me know the whole sale price for a quantity for Hospital use? Yours truly,
