THE FINEST PLATINOTYPES AND SOLAR ENLARGEMENTS

Artists and Art Students

Prints by this process are characterized by a pure black tone, with great purity of the whites, the image being absolutely permanent. For enlargements this is the only safe process to use. The paper, having no surface sizing to destroy the tooth, takes crayon, ink, pastel or water colors beautifully. Send for price list.

UNPARALLELED

IN THE

HISTORY OF MEDICAL SCIENCE

If you are sick and suffering from any Lung or Bronchial troubles, such as **Asthma, Bronchitis, Catarrh, Consumption, Inflammation or Congestion** of any of the respiratory organs, then do not hesitate longer to at once avail yourself of this **never-failing specific** before it may become too late.

Physicians are quietly recognizing the virtues of

RADAM'S MICROBE KILLER

as a truly great remedy—one, withal, almost infallible if taken in time—and are adopting its use in the above mentioned troubles without hesitation where disease has made inroads upon the system to any extent at all.

You can save time, trouble and money if you will investigate NOW, by writing and obtaining the medicine direct from us, our agents, or where we have none ask your Druggist to get it for you.
