

THE YATISI CORSET is modelled from a design of one of the most celebrated Parisian Makers. It gives the wearer that Ease and Grace so much admired in French Ladies.

THE YATISI CORSET owing to the peculiar diagonal elasticity of the cloth will fit the wearer perfectly the first time worn, no matter what her style or form is—either long or short waisted. To ladies who wish to lace tight and not feel uncomfortable at the bust or hips they are indispensable.

THE YATISI CORSET does not stretch at the waist, requires no breaking in, fits comfortably the first time worn. As it gives to every motion of the wearer it will outlast any of the old style rigid corsets.

THE YATISI CORSET is made of the best materials, and being elastic, (without rubber or springs) is invaluable for invalids, as it cannot compress the vital parts of the body. They are recommended by the most celebrated physicians in all the leading cities.

PROF. S. VERNON, TORONTO,

Dear Sir,—I have not slept for years so soundly as I have done since taking the treatment, and never have I done my work with such comfort and energy as during the past year. The tonic effects of the Electrical applications have been of great benefit to me. I believe every person, whatever his health may be, would find himself benefitted by a greater or less use of Electricity. Very gratefully yours,
GEO. M. MILLIGAN.

Dear Sir,—I consider it my duty to the public to give the following statement:—I suffered neuralgia of the most excruciating character, in both temples, the pain shooting down into the shoulders occasionally, accompanied by morbid sensations in my extremities. After other means had failed I thought I would try electricity, and, having ascertained that you were the most successful electro-therapeutist in Ontario, I obtained your services. Through your instructions as to the use of the battery, and from several treatments received at your office, I am now in very good health.

I remain, thankfully yours,

Malvern, P.O.

PROF. VERNON,

Dear Sir,—I write to inform you that after six weeks' treatment with your improved Family Battery, my wife's health is much improved, the neuralgia and pain in her head having entirely succumbed. I would not be without it for three times the price. Will recommend it to others.

JOHN HUDSON, Lumber Merchant.

Mr. G. R. Howard, Barrister, Winnipeg, says:—"The Battery has been of great service to us this winter. I would not be without it for \$1,000 if I could not get another."
