If, in connection with a claim by an investor of a Party or a dispute between the Parties, an issue arises as to whether a measure of a Party is a taxation measure, a Party may refer the issue to the taxation authorities of the Parties. A decision of the taxation authorities shall bind a Tribunal formed pursuant to Section C or arbitral panel formed pursuant to Section D. A Tribunal or arbitral panel seized of a claim or a dispute in which the issue arises may not proceed until it receives the decision of the taxation authorities. If the taxation authorities have not decided the issue within six months of the referral, the Tribunal or arbitral panel shall decide the issue.

8. Each Party shall notify the other Party by diplomatic note of the identity of the taxation authorities referred to in this Article.

If a Party considers that the other Party has offered such an encouragement, it may request consultations with the other Party and the two Parties shall consult with a view to avoiding the encouragement.

ARTICLE 16

Corporate Social Responsibility

Each Party should encourage enterprises operating within its territory or subject to its jurisdiction to voluntarily incorporate internationally recognized standards of corporate social responsibility in their practices and internal policies, such as statements of principle that have been endorsed or are supported by the Parties. These principles address issues such as labour, the environment, human rights, community relations and anti-corruption.
