Dear Mr. ~~Danson~~ *Barney*:

Further to recent conversations with personnel officials of my Department, this is to confirm that you should plan on completing your assignment in Boston at the end of June 1986.

I want to take this opportunity to thank you for the dedication and competence with which you have fulfilled your responsibilities as Consul General in Boston. Your active role in trade promotion initiatives, as well as your work in presenting Canadian concerns and reporting on a wide variety of issues such as acid rain, fish and nuclear dumpsites have been appreciated and most helpful in furthering our objectives.

As you contemplate a new step in your long and distinguished career of service to Canada, I wish you all the best.

Yours sincerely,
