[Mr. Speaker.]

Mr. Speaker: I declare motion No. 12 carried.

Mr. Blais: Mr. Speaker, on a point of order—

Mr. Speaker: Order, please. Hon. members may be aware that one of the members of the House who is a physician has been asked to step outside the Chamber for a moment because of a possible emergency in the lobby. Under the circumstances it does not seem sensible to proceed with the taking of such an important vote as the next one in the hon. member's absence. Perhaps hon. members might simply extend their indulgence for a moment or two. I would not suggest that hon. members leave the Chamber. The doctor apparently is prepared to return momentarily.

Order, please. The question is now on motion No. 13.

The House divided on motion No. 13 (Mr. Reynolds) which was negated on the following division:

(Division No. 150)
