K. B. Conn, Esq.,
Secretary Treasurer,
Alumni Federation,
University of Toronto.

Dear Sir,

I regret to tell you that Sir Arthur Currie will not be able to come to Toronto next week to attend the dinner in honour of Sir Robert and Lady Falconer on the tenth instant at the Royal York Hotel. He was looking forward to it with great pleasure, but though he is not really ill, he is greatly tired as the result of an exceptionally heavy programme both in the University and outside during the past two months, and his doctors ask me today to cancel all engagements for public functions for the month of June.

Yours faithfully,

Secretary to the Principal.
