

Sunday since I might go down
the beginning of this next week. The
main thing is that you are much
better and I am quite sure that
progress will be uninterrupted now.

I am forwarding you herewith
a statement of reasons why a few of
us think a special ball known
"St. John's wood" should be granted
to the 10th and 16th battalions. If you
think favourably of the suggestion I
shall be very glad to have a letter
from you in support of the application
