Dr. F. C. Harrison,  
Dean, Graduate Faculty,  
Mc Gill, University.

Dear Sir:-

In reply to your letter of January, 6th,  
with regard to the donor of the fellowship  
I hold in Economics, I understand that mine is  
given by the Board of Governors of the  
University.

I have already expressed my appreciation  
to Dr. Leacock, who was responsible for me  
securing the fellowship and am to-day  
writing to A. P. S. Glasgow, Secretary of  
the Board, thanking them for the opportunity  
afforded me of studying at Mc Gill.

Thanking you for drawing this matter  
to my attention, I am.

Yours very truly,  
Andrew W. Hamilton
