

Report 1933

August 23, 1933

Lieut. Col. E.B.Q. Buchanan, M.C.,
Officers' Mess, C.O.T.C.,
University Street.

Dear Colonel Buchanan,

I have received from Major Brisbane, Adjutant,
McGill University Contingent (148th Battalion, C.E.F.)
C.O.T.C., the report for the session 1932-33.

I should like to congratulate the Adjutant on
the manner in which he has prepared the report, and you
upon the excellence of its nature. It indicates a very
satisfactory rate of progress and a successful year. I
am interested in noting the high percentage of passes
in examination tests, and I also note with pleasure the
evident good feeling which prevails between the C.O.T.C.
and the several militia units. I was glad to note par-
ticularly the good feeling which pertains between your
Unit and that of the University of Montreal.

I am writing to Colonel Phelan to thank him
once more for the courtesies extended to the Unit by the
Grenadier Guards.

Ever yours faithfully,

Principal
