HOUSE OF COMMONS SPECIAL COMMITTEE

INTERIM REPORT

COAL RESOURCES OF CANADA

The Special Committee appointed to investigate the
resources of Canada of Anthracite and All seasons Coal, the
responsibility of such resources, and whether the price paid by the Government
is fair and whether the same should be sold to the
public or to the Government, and whether the same should be sold to the
public or to the Government, for the purpose of giving
the Government a right of preference in the purchase of such

resources, and whether the same should be sold to the
public or to the Government, and whether the same should be sold to the
public or to the Government, for the purpose of giving
the Government a right of preference in the purchase of such
