Lightning's Pranks. Some peculiar pranks were played by the lightning in Sunday night's storm out thru the county, and a nubber of miraculous escapes are report-ed. On the farm of Thomas Gowland, in Vaughan Township, Mr. and Mrs. Gowland were sitting in the kitchen when a bolt entered the room, strip ping both the soles from the boots Mr. Gowland was wearing, and burning a number of holes in the dress worn by Mrs. Gowland, but leaving each of them uninjured.

WESTON

Some misapprehension has arisen regarding the Weston Supply Club. I: is pointed out that while the organiza. tion meeting was held in St. John's Schoolroom, the club is entirely inde-pendent of the church. It is also inted out that it is not philanthropic in its objects, but is intended to appeal to those who see a good business nvestment in laving in a supply of coals in the summer at the wholesale rates, which the co-operation plan will secure.

Improvement Society. At the meeting of the Weston Town Improvement Society, the suggestion that a cot be donated to one of the Canadian Hospitals for the soldiers was approved. As the money in hand was not sufficient, the use of her home for a musicale was offered by Mrs. Dalton, and it was arranged that this should take place on Tuesday, May 11.

A fair will also be held on Wednesday. June 9. the proceeds of which, it hoped, will enable the society to again carry on the nursing work. which has been so beneficial during the past winter.
