THE FIRST  
ENCYCLOPÆDIA OF CANADIAN LAW

## **Dominion Law Reports**

---

---

A real series of annotated reports—the only set of reports that gives you the whole law of the entire Dominion in one compact series. You will no longer have to look through the many provincial reports—"D. L. R." gives you the whole law.

---

## **Dominion Law Reports**

include the cases decided since January 1st, 1912; give you all the case-law of all the provinces; contain the cases decided by the Supreme Court; cover the Canadian Appeals to the Privy Council; have the Exchequer Court and Railway Commission cases; forming the basis of all working libraries.

---

## **Dominion Law Reports**

are the only national series of reports in Canada; have valuable annotations after the important cases (over 300 annotations already published in the 47 volumes issued); present the law in scientific head-notes; stand for co-operation between the lawyers of Canada; brief your case for you; win cases for you.
