

ADVERTISING DEPARTMENT.

For Purifying the Blood and for the Care of
Scrofula, Rheumatism, Stubborn Ulcers, Salt Rheum, Fever Sores, Erysipelas,
Pimples, Biles, Liver Complaint, Bronchitis, Loss of Appetite,
General Debility, &c.

In this preparation all the restorative properties of the root are concentrated in their utmost strength and efficacy; but while Sarsaparilla Root forms an important part of its combination, it is, at the same time, compounded with other vegetable remedies of great power, and it is in the peculiar combination and scientific manner of its preparation, that its remarkable success in the cure of disease depends. Many other preparations imitate it in bearing the name of Sarsaparilla, and in that their resemblance ends, being often prepared from worthless and inert roots, and of course possess no healing or curative properties, and patients in making choice of which they will use should take no other, but that one entitled to their confidence; from the long list of cures it has effected on living witnesses, whose testimonials and residence have been published, and who are still bearing daily testimony to its worth.

Prepared and sold, wholesale and retail by A. B. & D. SANDS, Druggists and Chemists, 100 Fulton street, corner of William, New York. Sold also by Druggists generally throughout the United States and Canada. Price \$1 per bottle; 6 bottles to \$5.
