JAMES B. M. CHIPMAN, ESQ.,

General Agent for the British North American Colonies.

The Agency of this Institution differs widely from an Agency as commonly conferred by parent Institutions abroad. The General Agent, together with the Local Board on preceding page, by Power of Attorney executed by the London Court, are fully authorised to act on behalf of the Society; so that for all practical purposes this Agency is essentially a Colonial Company, strengthened by a large bona fide capital safely invested in London.

Agents and Medical Examiners have been appointed throughout Canada, and the other Colonies; and Proposals for Assurance will be transmitted the General Agent, and Premiums received by the Agents, through whom pamphlets and blanks can always be obtained.
