shock would result in her death. However, upon the advice of a physician, she was told last night, and although broken down, will survive the severe blow.

ULSTER'S STAND NOT ALARMING

Wm. Redmond's Contemptuous Comment Cheered by Big Gathering in New York.

NEW YORK, Sept. 29.—(Can. Press.)—"The Ulsterites' demonstration against home rule at Belfast yesterday was no more dangerous than this flash-light," exclaimed William H. Redmond, the Nationalist member of parliament, when his speech at a large mass meeting in Carnegie Hall tonight was interrupted by the photographers' work.

"Half of Ulster is as ardently for home rule as any part of Ireland," he continued. "Half of Ulster belongs to the ancient faith and many Protestants in recent years have been marching side by side with Catholics in the battle for Irish liberty."

The speaker got a great ovation. The meeting had been arranged by a committee of prominent citizens, including Supreme Court Justice Keogh, W. Bourke Cochrane, Alton E. Parker and Herman Ridger. A letter was read from Cardinal Finlay expressing his warm sympathy with the cause.

The audience stood, waved hats and umbrellas, and shouted their approval when Mr. Redmond rose to speak. He declared that he had never been the centre of such a demonstration. "The Irish home rule problem will be foremost in Britain's political arena until the freedom of Ireland is assured," he said, and he predicted that before Christmas the bill would have passed the house of commons, and that if the present British Government continued in power, the name of King George would be attached to an Irish home rule bill.

America's Reply to Ulster. Sir Croydon Marks, an English member of parliament, also was enthusiastically greeted. He declared that tonight's demonstration was "America's answer to the anti-home rule covenant signed in Ulster yesterday."

At the conclusion of the speeches, a resolution was adopted endorsing the action of the Nationalist convention in Ireland on accepting the home rule bill and congratulating the Irish party and John E. Redmond upon the triumphant state of the Irish cause.

A collection taken at the meeting for the cause, brought \$20,493. The United Irish League and the Ancient Order of Hibernians contributed \$1000 each, and Bourke Cochrane and John D. Crimmins led the individual subscriptions with \$250 each.

TORONTO MAN HELD AT FRISCO

H. E. Sheater is Wanted Here for Stealing \$1619 From W. T. McDonnell Company.

H. E. Sheater who, two months ago, stole \$1619 from the W. T. McDonnell Company, 73 Front street, was arrested Saturday in San Francisco on information supplied by the Toronto detective department.

Sheater was a driver employed by the fruit company. He disappeared with the money collected for the firm. Detective Newton was assigned to the case, and found that the man had bought a ticket for the coast, with the intention of going to Australia. Sheater, however, was taken in custody by the San Francisco police and will be held until Francisco detective Boyd and Detective Newton reach there.

BUT ONE TENDER TO BUILD SHIPS

Invitation to Compete for West Indian Service Failed to Attract British Firms.

OTTAWA, Sept. 29.—(Special.)—The tenders for the ships for the West Indian service, which are supposed to be opened on Tuesday, will probably be a disappointment to the minister of trade and commerce, for it is understood that only one serious tender has been received by the department.

As a matter of fact the complicated tenders asked for have given British shipping men the impression that the government is simply fishing for information and, as a consequence, no tender is from the British Isles.

Today British shipbuilding is so very prosperous, ships paying for themselves in two years, that builders are not attracted by any uncertain government venture, hence the total absence of tenders from over the water.

It is also understood that neither the C. P. R. nor the Elder Dempster will take the trouble to tender, being more profitably employed elsewhere. The tonnage from Canada to the West Indies has increased from two to thirty thousand tons and the outward development still continues, although inward freights are lacking during six months of the year.

MRS. HANNER HAD THREE HUSBANDS

Police to Produce Records in Who Shot Buffalo Man.

NIAGARA FALLS, Ont., Sept. 29.—(Special.)—"I'll prove to you yet that I am innocent," said Mrs. Mary M. Hanner, when Detective Sergeant Geo. H. Callahan read to her, in St. Mary's Hospital, on the American side today, the warrant charging her with assault in the first degree, alleging she shot her husband in North Tonawanda on Aug. 12, while the Hanners were on their way from this city to their home in Buffalo by automobile. She will be given a hearing tomorrow in North Tonawanda.

The police say that they believe the arrest of Mrs. Hanner will reveal a very interesting story. That the woman had at least three husbands, is authentic, say in Canada. So far as can be learned she has never divorced any of them. Her first matrimonial venture, according to the prosecution's side, was her marriage to a man named Webber, while she was yet a girl. Just what became of Webber is not known, the police say, but are going to find out. They say they know he is alive. Then Walter Green appears in her life. He is said to have met her when she was living near Welland, Ont. Green is said to have been a wanderer, and his wife sought other fields. Next in the list of husbands came Hanner.

GOOD SHOOTING BY PRESS MEN

Alex Pringle and Jaffray Eaton Tied for First Place in September Aggregate Match.

The September aggregate match of the Toronto Newspaper Rifle Association was concluded at the Rifle Ranges on Saturday, and considering the fact that this is one of the newest organizations of the kind in Canada, some remarkable shooting was done. With the exception of one or two members in the list of prize winners given below, the handling of a military arm and contending with outdoor conditions was until late in the summer, a new experience with them. With one exception they are all tyros.

The match comprised the aggregate of three scores made at 200 yards and at 500 yards. A possible score was 210. The two leaders, Mr. Alex. Pringle of The News and Mr. J. Eaton of The Globe, tied with 200 each and will shoot off at a later date.

Following are some of the highest scores: Alex. Pringle, News, 200; J. Eaton, Globe, 200; A. D. Clarke, 184; Joe Gorman, News, 183; Rex G. Smith, Globe, 181; D. D. Eppes, News, 174; John Haxman, Mail, 172; Harold Cox, Globe, 167; Hal Gordon, Star, 157; D. M. Christian, Globe, 150; Henry Farley, Globe, 141; P. C. Blackmore, Globe, 134.

FOREIGNERS HAD TOO MUCH LIQUOR

Twenty Kegs of Beer, Twenty-Four Bottles of Gin and Six Bottles of Wine in One House.

When Sergeant Umbach with three constables visited 7 Denton avenue late Saturday night to settle a dispute in the house they found 20 kegs of beer, 24 bottles of gin and 6 bottles of wine. There were about 40 Poles and Polish women engaged in an excited argument with Sergeant Umbach, the proprietor of the house.

Schnell dug out the cellar and made a bathroom. This he let to foreign people for dances and feasts. On Saturday night there was a Polish wedding and the Poles decided to make the most of the occasion. When they had consumed 13 kegs of beer and 12 bottles of gin they started to carry the rest away. But here Sergeant Umbach intervened and the liquor and had Schnell summoned on a charge of allowing liquor to be consumed on unlicensed premises.

The Poles had a wager as to who could carry the most, so they went to No. 3 police station and protested. Sergeant Umbach confiscated the liquor and had Schnell summoned on a charge of allowing liquor to be consumed on unlicensed premises.
