the British Legation. They had many dead and wounded. Among them were some women and children. All were short of food, even of the commonest necessaries.

Women Starving, Hourly Expecting Relief.

The women were starving, as they gave a part of their small allowance to the children. The foreigners were holding out under a terrific fire, upheld by the hourly expectation of relief. They knew they would not be abandoned and that the armies of their Governments were advarcing. Sometimes they thought they could hear artillery in action beyond the wall. They were unable to return the fire of the Chinese, except at moments when an assault seemed imminent.

Ketteler, whose body was hideously mutilate couraged the idea of Japan undertaking the work.

Another Story of the Murder.

Another account has it that all the Ministers then for than that Baron Von Ketteler for a conference with the House that the Government of China, its sole preoccupation at present being to save the legations. The motion for an adjournment was the withdrawn.

The motion for an adjournment was then withdrawn.

PERISHING OF STARVATION.
