CAYUGA LAKE CEMENT WINS

Hamilton-Council Exacts a Drawback of \$4000, Which Will Receive Interest at 6 Per Cent.

FIREMEN MAY BE INSURED BY CITY

Tables Likely to Be Turned on a Guarantee Company—Police May Lay a Charge.

Hamilton, March 26.—The cement controversy is ended. The Cayuga Lake Cement Company has been given the contract at a rate that with duty included is \$1.00 a barrel. The deal was closed at a special meeting of the City Council this evening.

Mayor Hendrie, at the opening, stated that the Cayuga Lake people would sign the contract prepared by the Special Committee. He thought they were new at the business, or they would not have balked so readily.

Ald. Morden said that if the Mayor was ready to accept the responsibility of drawing up so stiff an agreement (Ald. Morden) was ready to take the responsibility of accepting the agreement on the specifications. He read a letter from the company agreeing to the city's holding back \$4000, providing 10 per cent interest was paid when it was returned.

Ald. Morden moved, and Ald. Birrell seconded, a resolution that a contract based on the specifications be accepted, and that the Mayor be instructed to sign the agreement whereby \$4000 would be held back and 6 per cent allowed on it.

After more discussion, the motion was agreed to on a vote of 7 to 5, as follows: Yeas: Ald. Nicholson, Wallace, Birrell, Dunn, Morden, Stewart and Baird. Nays: Ald. Hendrie, Ald. Birrell, Pettigrew and Biggar.

Gratuitous for Firemen.
The Fire and Water Committee met this evening and received the report of the sub-committee appointed to consider the question of granting gratuities to the members of the Fire Department against death and accidents. The consideration of it was deferred to the next meeting. The report advised that any fireman disabled receive a gratuity of \$400. The committee decided to recommend that the tender of the Crown Oil Company be accepted. Its prices are, cylinder oil 40 cents a gallon, and engine oil 35 cents.

May Turn Tables.
Several times within the past few days a guarantee company announced its intention of prosecuting G. W. Cleverley, late cashier for Hendrie & Co., who was short in his accounts and left the city suddenly. The company, however, has now been turned. The tables may now be turned. The company's agent for threatening criminal prosecution, Police Magistrate J. J. O'Brien, has been a great success in getting the head for the purpose of getting money out of his friends.

The criminal law, he says, was not framed for this purpose, and his office is not a place for the purpose of justice. He has refused to grant a warrant under the circumstances.
