T. W. ECKERT. The magnificent display or "Bell" Pianos at the Western Fair is undoubtedly a strong point of attraction. The unique designs of cases, together with the marvelous tonal qualities of these pianos, brought crowds of delighted hearers and spectators whenever these instruments were under the artistic manipulation of those whose

business it is to show them.
Mr. T. W. Eckert, the renowned orchestral pianist, created some marvelous effects upon the Bell Orchestral Piano, producing in all imitations of different instruments, each

separate and at will. FREE recitals will be given at 8 each evening on the ground floor of the "Bell" warerooms, 167 Dundas street, when Mr. Eckert will devote a full half hour in rendering these unique imitations. Mr. Eckert will, furthermore, close with a vocal solo. Remember, these recitals are free, and all are welcome.

They had elbowed their way through the crowd around the Comfort Soap exhibit at the fair, and were listening to the exclamations of delight at the large sculptured group carved from a huge block of Comfort Soap standing on a Comfort Soap pedestal, and representing Uncle Sam and John Bull shaking hands over the one fact, at least, they will always agree on, that "Comfort Soap is all right."
"Well, dear," said the mother, "I hope you get the wheel, but one thing

I'll guess now, and when we go home I'll weigh an ordinary cake of Comfort Soap, and then I'll figure out what the big one weighs. Then, you know, I've saved a lot of wrappers, and they give the bulliest prizes for them.'

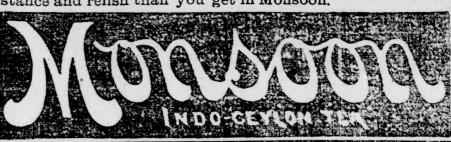

And the happy trio passed on to make room for others who were pressing forward in crowds, all eager to guess and all joining in the chorus that "Comfort Soap is all right." A few, who did not yet know by experi-ence, decided to lose no time in getting
