"TIFCO" BOWLING This ball is the best on the mar-

ket, because it never slips, never loses its shape, always rolls true, hooks and curves easily, does not become greasy, is absolutely guaranteed, is cheaper than any other reputable patent ball, and complies with the rules and regulations of the A. B. C. All first-class alleys are putting these balls on. Try one on the alley where you roll, and you will never roll any other ball.
