

namely, impoverishment, which signifies an excess of water, and a deficiency in the quality and quantity of the red corpuscles, which latter are the vitality and life sustaining principle of the blood.

From this impoverished condition of the blood, several diseases have their origin; Emaciation, Debility, Coldness of the hands and feet, Loss of Vigor and Strength, Weakness, etc., are the ordinary symptoms. As the Blood loses its vigor Nervous Prostration ensues, a sense of weakness and lassitude is felt on even the slightest exertion, a wasting pallor, and a general flagging of the vital forces. These are the silent evidences of disorganization.

NORTHROP & LYMAN'S VEGETABLE DISCOVERY.

Is a specific for all diseases originating from Impurities or Impoverishment of the Blood, its mild vegetable antidote constituent properties dissolving out and chemically changing, not only the Impurities floating in the Blood itself, but those also which have been lodged and are choking up and producing congestion and disease in any organ or part of the body, thereby assisting nature to re-establish her free and healthful circulation of Blood through those organs, restoring them to health and vigor. While those properties have an affinity for the digestive organs, etc., they also restore the functions of digestion and assimilation, nourishing and enriching the blood in a manner surprising even to the most skeptical.

These various properties of our Vegetable Discovery, for renovating and invigorating the whole Digestive Organism and Purifying and Enriching the Blood, overcoming Congestion, etc., in any part of the body, along with its action on the nervous system and its power of restoring to healthy action the functions of the Liver, Kidneys, Bowels, Skin, and Lungs, may be said to be the leading features of the Compound. We may here add, that to those antidote properties, possessing that peculiar power of cleansing the Blood of those impurities which produce congestion and disease of internal organs, are due in great measure the remarkably restorative operation of the Vegetable Discovery in diseases peculiar to females.

A PERFECT RENOVATOR AND INVIGORATOR OF THE SYSTEM.

Mr. John Magwood, Victoria Road, writes: "Northrop & Lyman's Vegetable Discovery is a splendid medicine. My customers say they never used anything so effectual. Good results immediately follow its use. I know its value from personal experience, having been troubled for nine or ten years with Dyspepsia, and since using it digestion goes on without that depressed feeling

so well known to dyspeptics. I have no hesitation in recommending it in any case of Indigestion, Constipation, Heartburn, or trouble arising from a disordered stomach."

No article takes hold of Blood diseases like Northrop & Lyman's Vegetable Discovery. It works like magic. Miss C——, Toronto, writes: "I have to thank you for what Northrop & Lyman's Vegetable Discovery has done for me. I had a sore on my knee as large as the palm of my hand, and could get nothing to do any good until I used the Discovery. Four bottles completely cured it."

Mr. H. B. McKinnon, painter, Mount Albert, says: "Last summer my system got impregnated with the lead and turpentine used in painting; my body was covered with scarlet spots as large as a twenty-five cent piece, and I was in such a state that I could scarcely walk. I got a bottle of Northrop & Lyman's Vegetable Discovery, and at once commenced taking it in large doses, and before one-half of the bottle was used there was not a spot to be seen and I never felt better in my life. I think this medicine the best Blood Purifier ever discovered."

Vanquished.—Mr. Jas. Johnston, 4 con., 7th lot, Amaranth, writes: "Two bottles of Northrop & Lyman's Vegetable Discovery cured me of Dyspepsia. Mine was a bad case and I had tried a number of other preparations without getting any benefit from them."

Money Saved.—Mr. John Hollingsworth, Escott, writes: "Northrop & Lyman's Vegetable Discovery gives great satisfaction. Some of my customers say they have derived more benefit from the use of this medicine than they did from doctors to whom they paid hundreds of dollars. I have sold large quantities of the Vegetable Discovery and have never had one complaint or dissatisfaction from its use."

Bad Dreams.—Mrs. M. Stephens, of Albany, N. Y., writes us as follows: "I take great pleasure in informing you of the benefit I have received from the use of Northrop & Lyman's Vegetable Discovery. My stomach was so weak that I could not eat anything sour or very sweet; even fruit at tea time would cause Heartburn, Fullness or Oppression of the Chest, Short Breath, Restlessness during Sleep, and Frightful Dreams of disagreeable sights, so that I would often dread to go to sleep. With the use of the Vegetable Discovery this unpleasantness has all been removed, and I now can eat what suits my taste or fancy without the least dread of having to suffer for any indiscretion. My appetite is improved, my rest good, and general health better than it has been for years."
