### An Unbreakable Set of Teeth

There is a class of patients who do not object to paying a fair price for artificial teeth, if they can really secure comfort, usefulness and naturalness.

I have a set of teeth, such as is obtainable in any other office in this city, to my knowledge. It is out of the ordinary line and unlike the teeth in general use. Its beauty is at once apparent, and it is practically unbreakable.

It will pay those, who are desirous of obtaining the best to be had in the dental line, to call and inspect this for themselves. I will gladly demonstrate its superiority over other plates, even if you have no immediate intention of investing.

## LIST OF WINNERS IN THE BABY CONTEST

Over 400 Photographs Received and Judges Had an Arduous Task

Jean Constance Fetherston the Prettiest Baby and Wilfrid Rodgeron the Winner in the Leap Year Class—The Prize Winners' Pictures are Published on Page Seven

The judges in the Borden baby contest, conducted through The Evening Times, have completed their labors, and this paper tonight announces the winners in the greatest competition of the kind ever conducted in Eastern Canada. The list of winners is published herewith, and the pictures of the five prettiest babies in the general competition and in the leap year class, will be found on page 7 of this issue.

The contest started on Feb. 20, and closed on Saturday, March 20. In that time 400 photographs were received and the judges, Rev. A. B. Cohen, Judge J. G. Forbes and Dr. T. D. Walker, representing the church, the judiciary and the medical profession, had a difficult task to perform. They were given a large room in the Times office, surrounded with the 400 examples of baby beauty and told to locate the laurel wreath. That they have satisfactorily completed this task will be made apparent by a glance at the pictures of the winners. Ten prettier, healthier babies were never gathered together in any section of the globe.

This contest has abundantly proved two things, first, that New Brunswick babies will bear comparison with all others and, secondly, that the people read the Times. In the first days of the contest the entries came in rather slowly, but the interest rapidly grew until every mail brought numbers of pictures to this office, and Dr. Forbes' photograph studio, where the free pictures were taken, was thronged daily.

The prizes will be distributed from the Times office next week. They are as follows:

To the photograph adjudged 1st, \$10.00 in gold.  
To the photograph adjudged 2nd, \$5.00 in gold.  
To the photograph adjudged 3rd, \$3.00 in cash.  
To the photograph adjudged 4th, \$2.50 in cash.  
To the photograph adjudged 5th, \$2.00 in cash.

For the ten photographs next best in order of merit—to wit, sterling silver paper-weights, valued at \$2.00.

Five prizes for "Leap Year" babies—children who were under a year last New Year's day.

Let prize (for Leap Year baby), sterling silver baby spoon (Humpty Dumpty design). To the 20 photographs next best in order of merit, a diploma.

The 40 photos selected will form a New Brunswick page of the Album of Beautiful Canadian Children, and a reproduction of the Album, in beautiful half-tone work, on heavy coated paper, will be sent gratis to each of the 40 little winners.

The plate of 40 photos (New Brunswick winners) will be reproduced in the Pictorial Supplement of the Toronto Sunday World, and at the same time the 40 New Brunswick winners will be entered in the Toronto contest, which is open to all Canada.

The list of the winners is as follows:

Packers of Tiger Indio-Ceylon Teas

Dear Sir:—Our choice at home of Tiger Tea is grade — at — c. per lb. is it true that the tiny dried, whitish Indian Tiger Tea give it that fine delicate flavor? We used to drink China Tea years ago, but prefer the Tiger Tea in 1-lb. packets, as it looks clearer, and because Tiger Teas are prepared and packed by machinery instead of by the nasty, sweaty-hand-treatment as in China. The pretty blue and white label is enough to make one with to taste a cup of Tiger Tea. The tiger paws on the label show how strong the Tiger Tea is.

I am very glad to send you this letter about Tiger Tea, and if you wish I will send you a sketch of a tiger which would perhaps be fiercer than the tiger on your label. The rich cherry color of Tiger Tea pleases everyone, and I hope you will also keep the quality of it as good as it is now. I enclose the 12 cards required, and tell you truly this is my own handwriting.

Every Canadian should buy a 1-lb. packet of Tiger Tea, for, besides the good quality we know that the work of blending, labelling, boxing, packing, etc., is all done by Canadians in St. John.

My age is..... my last school teacher was.....

Hoping this letter will win a Tiger Tea prize,

I am respectfully yours,
