

# XII. DECEMBER.

I cheerful will obey; there with new pow'rs  
Will rising wonders sing: I cannot go  
Where Universal Love not smiles around,  
Sustaining all yon orbs and all their suns;  
From seeming Evil still educing good,  
And better thence again, and better still,  
In infinite progression. But I lose  
Myself in Him, in Light Ineffable:  
Come then, expressive Silence! muse His praise.
