It was believed at first that thieves had climbed up the lattice to a bal- cony on the second floor, thickly cov- ered with ivy, and had gained entrance through a window in the death cham- ber of Kaiser Wilhelm I., but a later police report advanced the theory that there was only one robber and that he had made a study of the arrangement of the building from the outside and gained entrance with other visitors to the library. Concealing himself there, he remained until the others had de- parted and the room was closed. A broken hilt of a sword left by the theif was the first trace of the raid. G From the library he took two bronze y candlesticks wrenched from a mirror and a broken brass frame, from which he tore the picture of Empress Au- igusta. From an adjoining room he stole an old broadsword with a crown and a "W" and the words "Gott mil tuns" engraved on the blade. The de- sign was set in rubies and blue and white pearls. To carry the weapon more conveniently he had broken off the lower part of the hilt. A number of sacramental vessels	The Gainsboroughs are pictures o Mr. Sutton's ancestors. One is a paint ing of Anne Sutton, and the other a portrait of Richard Sutton. Four mini iatures by Grimaldi and two panels o women in Elizabethan dress were found by the police with the portraits Benham Park was entered by bur glars during the night when the house hold was asleep. No finger prints of any kind wer- made in the search through the house A motor car waited for the thieve cutside the gates of the park. Sotland Yard recently obtained new information about the activities of the country house burglar gang. The finding of the Gainsboroughs was on of the results. The police believe that they have now enough evidence the literak up the whole organization and to capture the whole personnel.
