THE LATE TYLER B. THOMPSON

The Daily Missoulian of February 27, published at Missoula, Montana, contains the following account of the death and funeral of Tyler B. Thompson, a former resident of St. John, whose death was announced a few days ago:

We can hardly think of a fellow citizen who would be more missed in this community than Tyler B. Thompson, who died suddenly yesterday morning. For thirty-three years Mr. Thompson has lived among us. He joined the mercantile company when Missoula was emerging from its day as a frontier trading post. From an humble start, he became a most important executive in a concern that has grown by leaps and bounds and is known everywhere in the west. He married a charming girl who has since become one of the most useful and best loved women in Montana, because of her constant work for the public welfare. He was part of the warp and wool of our business and social life, a fine type, indeed, of the New Englander transplanted to the far west and becoming a thorough success in all relations with his fellow citizens.

We will miss Mr. Thompson in the big store and on the streets and when ever we were accustomed to his kindly smile and his warm, magnetic presence, for he was a very human being with a wealth of strong and lasting friendships. Death came suddenly and without great pain to Mr. Thompson shortly after 6 o'clock in the morning, although his health had been failing for three years and heart disease had developed more seriously during the last two weeks.

A man notably warm-hearted and generous, and of unusual business ability, Tyler Thompson leaves a host of friends, whom he has at one time or another helped out of difficulties. He was born fifty-five years and eight months ago at Woodstock, New Brunswick, Canada. After graduating from the high school of that city, he began his business life with the firm of Cobb, Bates & Yerxa, Boston grocers. To Missoula in 1886.

In 1886 Mr. Thompson came to Missoula to undertake the management of the grocery department of the Missoula Mercantile store, which has grown many times under his keen direction. Since the year 1901, Mr. Thompson has been assistant general manager of the Missoula Mercantile Company, carrying heavy business responsibility.

On March 18, 1890, Mr. Thompson was married to Miss Jessie Sloane, a daughter of Judge and Mrs. Sloane of this city. One child born to them died in infancy. Miss Jean Sloane Thompson is an adopted daughter. His sister, Mrs. Robert McVey, will arrive in Missoula today, coming from Seattle with Mrs. Thompson's brother and sister, Mr. and Mrs. Hugh Sloane. A sister, Mrs. W. F. Hemen, resides at Superior, Wis., and a brother, H. W. Thompson, is in Missoula.

Mr. Thompson was at the time of his death president of the Montana Wholesale Grocers' Association, an organization in which he took an intense interest and was very active.

He was also a past chancellor commander of the Knights of Pythias Lodge in Missoula, a member of Missoula Lodge No. 13, Western Sun Chapter, St. Omer Commandery, and was a past commander. He also belonged to Algeria Temple of the Myrtle Shrine and a past potentate. He was a member of Helgate Lodge No. 883, Order of Elks. During the war period Mr. Thompson co-operated actively with the food administration as division chairman for the grocers of this section, as well as being prominent in other war work.

HOW TO ECONOMIZE IN COAL

It Appears There is More to
Consider Than Price in
Buying.

Like Gaul, all coal is divided into two classes—carbon and volatile matter—will burn and produce heat. The third "ash" including stone, clinkers, etc., is pure waste. Ash will not burn but prevents quantities of the carbon and volatile gasses from burning and is an expense to cart away.

You buy coal solely to make heat. The more carbon and volatile matter and less ash the more value in a ton of coal. Most everybody knows this in a general way. But suppose you were offered hard coal at \$18 and \$16, which would you buy? If ten per cent or one-tenth of the \$18 coal was ash you would have 1,500 pounds of burnable matter to the ton—at a cost of \$18 or \$1 per one hundred pounds of burnable matter. Now, say your \$16 coal had twenty per cent or one-fifth ash—and remember there are many hard coals with much over twenty per cent ash—you would have 1,600 pounds of burnable matter for \$16. The cost is exactly the same except that in one case you would have 400 pounds of ash to remove, in the other only 200 pounds. Showing conclusively that the low price does not make a cheap coal. But how is the householder to know which is the cheapest coal? One way is to buy RADIO coal. It is a clean, free-burning hard coal and has the organization and name of the Consumers Coal Co. behind it. It is inspected, tried and tested on arrival and every load is re-screened to remove the slack and dust before delivery. RADIO coal at \$17.75 less fifty cents discount or \$17.25 for cash, is, we believe, the most economical coal in St. John today. It certainly is high in heat value and low in ash and chock full of satisfaction.

To those who used RADIO before the war the Consumers Coal Co. wish to say that they can now obtain it in all sizes.

To those who have yet to know the goodness of RADIO we would suggest try it now. There is no risk for we would gladly remove and refund on any purchase of RADIO coal being up to the standard we have set for this American anthracite.

INVITE REV. MR. MARSHALL TO REMAIN THEIR PASTOR

The third quarterly official board meeting of Fairville Methodist Church was held last evening in the church vestry. Tea was served at seven o'clock by the ladies. There were about thirty present. Reports were presented from the W. M. S. and Ladies' Aid Society by Mrs. O. D. Hanson; Epworth League Society by Miss Gladys E. Shaw; financial report by Robt. Catherwood, and Sunday school O. D. Hanson. By a unanimous standing vote Rev. Thomas Marshall was invited to remain as pastor of the church for the coming year. He gracefully replied in accepting, subject, of course, to wish of the conference.

The financial report was most gratifying, showing the church to be in a good position. Regrettably the resignation of Robert Catherwood as treasurer was accepted and J. Stout was elected in his place, with Miss Shaw assistant treasurer. The thanks of the board was extended to Mr. Catherwood for his faithful services.

The tables looked charming, decorations being in red and white, and a hearty vote of thanks was given the ladies at the close of the meeting.

MRS. S. G. OLIVE PRESIDENT.

The election of officers of the branch of the W. A. of St. George's church, West End, resulted as follows:—President, Mrs. S. G. Olive; 1st vice-president, Mrs. Willis Waring; 2nd vice-president, Mrs. James Martin; recording secretary, Mrs. Arthur Rawlings; corresponding secretary, Miss Colwell; Dorcas secretary, Mrs. J. Carrier; treasurer, Miss McGee; extra extra secretary, Mrs. C. Burrell; babies' branch superintendent, Mrs. Frank Belyea; delegates to annual meeting—President's representative, Mrs. R. Perry; delegate, Mrs. A. Rawlings; substitute, Mrs. C. Green. After the election a very helpful Bible reading was given by the rector.
