## ELSIE FERGUSON IN STRONG DOMESTIC DRAMA AT IMPERIAL

Elsie Ferguson in Henrik Ibsen's "A Doll's House" at the Imperial to-night and all day Tuesday constitutes an extraordinary film engagement, inasmuch as this story of a doll-wife—so dramatic, so tender and yet so tragic—is credited with being the Norwegian author's most remarkable work.

ELSIE FERGUSON in "A Doll's House" An AIRCRAFT Picture

"A Doll's House" is by no means a comedy, rather it is a tremendously heavy dissertation upon the relations a wife should bear to her husband as a business man and his honor in the business world.

The first picture of the present big victory drive which started with the capture of Chateau Thierry will be shown in the Allied War Review and the fun will be found in a Drew comedy and Matt and Jeff.

### RATTLING GOOD BILL NOW OFFERED AT OPERA HOUSE

A rattling good vaudeville programme at the Opera House this week, five big city novelties, including The Waltham Duo in a sensational cycle act; Ethel Batting in original songs, impersonations and humorous stories; Mystic Hanson and Company, in feats of magic and illusions, interspersed with songs and dances, with an elaborate patriotic finale; the Clover Leaf Trio, harmony singers and good ones; Storey and Clarke in novel songs, pianologue and xylophone solos, and "The Lion's Claw" serial drama.

Evenings at 7.30 and 9; afternoons at 2.30.

### "THE EYES OF THE WORLD"

Cine Producing Company presents Jane Novak in the seven-part production based upon the widely-read novel of Harold Bell Wright at the Unique to-night. Prices slightly advanced to 10 and 15 cents.

### GOOD AT THE GEM

Tonight at 7.15 and 8.40 The DeLuxe trio of girls in vaudeville will entertain well and four good pictures will round out a big, satisfactory programme. They include two lively comedies, a timely Pathe weekly and "The Eagle's Eye," a stirring episode. Five and ten cents, with a few reserved at fifteen.

### WILL BE IN DEMAND.

Macon Telegraph: If the suggestion of the Courier-Journal that the Kaiser be placed on exhibition in this country after the war is carried out, rotten eggs will sell for \$40 a dozen.

### THE PLAIN TRUTH ABOUT SHOE PRICES

LEATHER is scarce and is growing scarcer. A large part of the available supply must be used for soldiers' boots. Importations have practically ceased and we are forced to depend upon the limited quantity of materials produced in Canada.

The cost of everything which goes into a pair of shoes is high, and is going higher. Workmen by the thousands have joined the colors, and labor is increasingly hard to get. It is not merely a matter of high prices, but of producing enough good quality shoes to go around.

These conditions are beyond the control of any man, or any group of men. They fall on all alike. No one is exempt—neither the manufacturer, the dealer, nor the consumer.

You must pay more today for shoes of the same quality than you did a year ago. Next Spring, prices will be higher still.

These are hard facts. They will not yield to argument. They cannot be glossed over. We cannot change them, much as we would wish to do so.

But you, as a wearer of shoes, can help to relieve them if you will exercise prudence and good judgment in purchasing. See that you get real value for your money. Spend enough to get it, but spend nothing for "frills."

See that the manufacturer's trade-mark is stamped upon the shoes you buy. High prices are a temptation to reduce the quality in order to make the price seem low. But no manufacturer will stamp his trade-mark upon a product which he is ashamed to acknowledge. Remember this, and look for the trade-mark. It is your best assurance of real value for your money.

### UNIQUE RECITAL AT IMPERIAL THEATRE TOMORROW AFTERNOON

MARIE MORRISSEY, CONTRALTO.

The Imperial Theatre will be the scene of a unique recital tomorrow afternoon when Marie Morrissey, of the Co. Ltd., will introduce Marie Morrissey, the popular contralto, and Joel Belov, violinist, to a specially invited audience of music lovers.

Wherever Marie Morrissey has been heard she has been pressed to sing recital engagements. Her popularity is countrywide, particularly so with the soldier boys for whom she has sung on numerous occasions.

Miss Morrissey is American born and trained and is a convincing refutation of the statement that a foreign reputation is essential for musical success. Her singing is invariably the feature of whatever programme she may appear on. Her rich, clear contralto is a pleasure to listen to. Her songs create a longing to hear her and her magnetic personality endears her to everybody she meets. She ranks among the finest artists before the American public.

Music lovers should derive solid satisfaction from the programme that will be rendered by Miss Morrissey and Joel Belov, who is perhaps no less popular. He is an artist of unusual ability and will receive a hearty welcome.

### TELL OF SOLDIERS' NEEDS

Knights of Columbus Find Big Demand Near the Front.

(New York Times.) The Knights of Columbus War Service Committee yesterday gave out a report from five of its secretaries attached to an American division in battle in France telling of the needs of the soldiers for stationery, cigarettes and other supplies. Two days after this group of secretaries joined their divisions their supplies were exhausted, and they had to go back to Paris for more.

"We estimated that at least 1,500 men passed through our hut in the first two hours we were open," the report said. "They were so eager to get the stationery, cigarettes and tobacco that the military police had to line them up and make them pass through the front door and out through the window at the side."

Mrs. John McCormack has presented her London home to the Knights of Columbus for a social centre for men wearing the American uniform. The house is in Netherland Gardens, Hampstead, and has about thirty rooms. Mrs. McCormack's sister, Miss Josephine Foley, will be there as hostess until the end of the war.

## Sun Burned Skin

You want a healthy summer tan. But sometimes you get it too quickly and then there is a few days of suffering.

The application of Dr. Chase's Ointment takes out the stinging and burning and leaves the skin delightfully soft and smooth.

Because it is equally effective in relieving stings of insects and ivy poisoning as well as chafing and skin irritations it is invaluable in the summer camp.
