# "YILDREN'S DAY CLOSING FEATURE OF

ANOTHER BIG HOLDING SUCCESSFUL FAIR

The provincial exhibition of 1914 is yver, but its memory will remain as a most successful fair in the face of adof Uncle Sam the Colville Indian reservamost successful fair in the face of adverse circumstances. The doubts as to the advisability of conducting the exhibition this year were dissipated soon after the gates opened, and all through the week the attendance was much better than had been anticipated. Not only the management but the exhibitors and with the results, and the exhibition must class a marked success.

While the management sustained a result deficit the loss was not as great.

While the management sustained a result deficit the loss was not as great.

Of Uncle Sam the Colville Indian reservation, of Uncle Sam the Colville Indian reservation, the last big holding of the red men the pacific northwest, will be thrown open to the settlement of white men during the summer of 1915. After each Indian on the reservation has been allotted the farm of his choice, 1,000,000 are the old Waterloo field. General No; said:

It is said that the time ball of the Greenwich Observatory has never been a great war which will have all Europe for its battleground, and will settle the management sustained a great was not as great. While the management sustained a small deficit, the loss was not as great as if the fair had been cancelled and

the money already invested charged off to profit and loss.

NEW VERSION OF THE TUNIC.

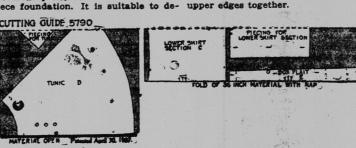

velopment in duvetyn, whipcord, serge, cloth or repp. The Russian tunic seems to have come to stay, for it is found not only among the modes for autumn, but among the advance styles for winter as well. Of course there are many variations of the Russian tunic, and each riations of the Russian tunic, and each new one seems to be more attractive than its predecessor. The distinguishing feature of the model shown here is the front panel which is connected with the foundation. The skirt requires to make 4½ yards of 44-inch or 3½ yards of 54-inch material. Cloth, serge, duveyn, repp or whipcord may be used ef-

tunics, an open width of material is re-quired. For the remaining parts of the pattern, however, the goods should ert being taken into the back gore as

rated. Join gores as notched. center-front and center-back seams, leaving front seam free above single large "O" perforation for placket. Turn under right back edge of lower section on slot perforations, lap on left back edge to slot perforations; press, and if desired close seam. Turn under lower edge 3% inches for hem. Sew to lower edge of gores, notches and centers even; center-back indicated by slot rforations.

ter-back seams, leaving front seam free above single large "O" perforation for opening. Turn under edge of box-pleat opening. Turn under edge of box-pleat on slot perforations. Turn under lower edges of tunic and box-pleat 2% inches for hem. Arrange pleat on tunic, cen-ters and upper edges even. Arrange tunic on foundation, centers even; stitch upper edges together. Adjust a webbing or a straight strip of canvas two inches wide to position underneath upper edge of skirt for a stay; stitch

Patterns published in this series may be obtained by sending price of pattern in cash or stamps to The Evening Times Pattern Department, 23 Canterbury street, St. John. As a rule it takes about one week to deliver the pattern to the buyer. Those sending money must be careful (1) to write the number of the pattern plainly (2) to write their name and post office address clearly, and (3) to enclose the price.

Order by number only. Remit in stamps or currency.
