HOCKEY
Amateur Association.
The Canadian Amateur Hockey As-
sociation was organized in Ottawa yester-
day afternoon. The Allan Cup will
be adopted as the championship emblem.
The maritime branch, organization of
which was sanctioned, will consist of
clubs in New Brunswick, Nova Scotia,
and Prince Edward Island.
The associations already in the new
league include Quebec, Ontario Hockey,
Intercollegiate, Manitoba, Winnipeg, Al-
berta, Saskatchewan, British Columbia,
Thunder Bay, and Maritime. Others may
be added.

BASEBALL
Again an Ex-Giant.
New York, Dec. 4.—Mike Donlin is
once more an ex-giant. He has received
his unconditional release, and unless
some club in the National League claims
him within the next week or so he will
be a free agent.
As a player Mike's loss means little
now, as a personality much. His depart-
ure will rob the games here of color,
both local and linguistic. To see Mike
on the Polo Grounds, striding away from
an umpire, was to get the impression
that the man was a consummate actor.
Yet in vaudeville Donlin was every inch
a ball player.
Once a truly great outfielder, Mike
has tarried in the big leagues long be-
yond the days of his playing worth. Al-
though not famed in his early days for
careful living, he is in point of service
one of the oldest players in the game to-
day. Like Kipling's Mulvaney, Mike
has seen the league change from colonel
to drummer boy, not once, but scores of
times. And like Mulvaney, Mike has
shown an enormous aptitude for getting
into scrapes both on and off the field.
One of the fastest of diamond stars
in his early days, Mike's speed began to
fade three seasons ago, but he could
still hit the ball so far and so cleanly
that he had no trouble in keeping his
batting mark above .300.
He came to the Giants to act simply
as a pinch hitter, and it must be con-
fessed that in one department of this
function he more than made good. Never
did a player realize so keenly as Mike
the dramatic possibilities of a march to
the plate with three men on bases.
But the New York public demands a
happy ending, and these Mike could
not furnish. Too often the curtain came
down with the three men still on bases
and the ball high in the air above the
head of the infielder. Or, more often
yet, the ball was in the mitt of the
catcher and Mike was arguing with the

In reference to the challenge of Young
Sampson, Young Gallet is willing to ac-
cept providing Sampson tips the scales at
160 pounds ring-side, and not more. Gal-
let says he weighs only 180 pounds, but
he will gladly concede the extra weight
in a ten round go if it can be arranged
for next week.

Bouts Last Night.
At Montreal—Al Reich, of New York,
knocked out Sailor Delaney of Brook-
lyn in the third round of a scheduled
ten round go.

At Hudson, Wis., Mike Gibbons, of
St. Paul, was given the decision over
Bob Mohs of Milwaukee, after Mohs had
fouled him twice in the second round.
The bout was scheduled to go ten
rounds.

At St. Louis—Charley White of Chic-
ago got the better of an eight round
bout with Frankie Callahan.

PROTEST AGAINST BAR
Evangelical Alliance Ask That
Liquor Store Near Armory be
Closed—Request Refused

A deputation from the Evangelical
Alliance, consisting of Ven. Archdeacon
Raymond and Rev. H. E. Thomas, ac-
companied by J. Willard Smith and W.
D. Backin, appeared before the liquor
license commissioners last evening to
make protest against the Dunham bar
at the corner of Carleton and Shef-
field streets, it being claimed that the
saloon was a menace to the soldiers who
are gathered at the armory.

They asked that the commissioners
revoke the license, taking as their au-
thority section 18 of the liquor license
act, which reads: "The license commis-
sioners shall not grant any certificate
for a license or any certificate whatso-
ever whereby any person can obtain or
procure any license for the sale of spi-
rituous, fermented or intoxicating liquor
on the days of the exhibition of the St.
John Exhibition Association or of any
agricultural society exhibition, either on
the grounds of such society or within a
distance of 800 yards of such grounds.

The meeting proved very interesting
and some severe criticism on the actions
of the commissioners was passed. The
commission afterwards decided in priv-
ate session that they could do nothing
further than receive the representations
of the delegation.

**HOW TO HAVE
A BEAUTIFUL
COMPLEXION**

One of our lady readers who found
that her skin was becoming harsh and

dry from the use of powders, rouge
and creams, sends us the formula below.
She states that the simple, harmless,
and inexpensive lotion made therefrom
softened her skin, and so greatly en-
hanced the beauty of her complexion
that she has entirely done away with
all other preparations which she had
been accustomed to use. This lotion
can easily be prepared at home or by
any good druggist. It calls for two
ounces of Rose Water, one drachm
Tincture of Benzoin and two ounces
Flowers of Ozonin. Mix together and
apply night and morning with the
hands or use a soft cloth or sponge.
Always shake well before using. Our
obliging correspondent asks that her
name be withheld for personal reasons,
but nevertheless gives us the permission
to publish her letter for the benefit of
other readers. She adds that this for-
mula was given her by a woman 65
years old whose youthful complexion
and almost total absence of wrinkles
were a source of wonder and admira-
tion to all who knew her.
