ST. PETER'S BELLS

Editor Times: Sir:—I have learned that it has been reported that I have signed a petition asking that St. Peter's bells be not rung in the early morning. I want to say, so far as I am concerned, that such a report is absolutely false. More, I have never heard of such a petition being circulated and shall not believe that such a petition is being circulated until I either see it myself or someone in whom I have confidence notifies me he has seen it. So far as I am concerned, I accord to my Catholic neighbors the same privilege I wish to see by myself, the right to worship God with out any human interference. D. HUTCHINSON.

SHIPWRECKED MARINERS IN CITY TODAY

Captain and Men of The Allen Green Had Close Call When Vessel Was Lost

Peril and suffering is told of by Captain Samuel Rogers, of the wrecked three-masted schooner Allen Green, who arrived in the city last evening. The Green, an American schooner, was driven ashore at Long Island, on the Nova Scotia coast, at the mouth of the bay in a blinding snow storm on Thursday night last, and the crew, Ambrose Ames, drowned. Captain Rogers, Mate Miller and Seaman Plazg came across the bay last night.

Seen at the office of C. M. Kerrison, ship broker, this afternoon, Captain Rogers said it was the first vessel he had lost in twenty years. The night of the disaster was one of the worst he had ever experienced. The schooner was bound from Rockland, Me., to Liverpool, N. S., for a cargo of box shooks. The night was very thick. There was a blinding snow storm and Captain Rogers said that one could not see an arm's length ahead. As they approached the shore, the anchor was shot and the anchor chains parted and the three-masted schooner was on the beach. Ambrose Ames, the cook, was in the main rigging at the time, and as the vessel struck he lost his hold and was washed overboard. Captain Rogers and crew were in the main rigging for a time but found it too much exposed and when the Green struck they were washed and as the main mast went by the board, falling in the surf, they climbed on it to get ashore. The captain lost his hold and was thrown in the surf and would have been drowned had not Mate Miller caught him and hauled him back to the broken spar. They had to walk through the woods a mile to get to a house.

The body of the cook was picked up on the beach a mile away the next day. The Masonic fraternity took charge of it and sent it forward to his home in Rockland, where he leaves a sorrowing wife and Captain Rogers and his men will go to Rockland this evening.

MAY BE PARADE HERE IN HONOR OF BIBLE TERCENTENARY

Plan to Have Children March to the Service in Centenary Church on Wednesday Afternoon Next

In connection with the celebration of the tercentenary of the King James version of the Bible, it is in the minds of the committee in charge of the local celebration to have a parade of children from King Square or another given point to Centenary church, and if possible, the parade will be done. It is hoped that the Boy Scouts of the city will turn out in large numbers, and head the parade along with the members of the Cadet corps and Scout's brigade.

The New Brunswick Auxiliary Bible Society is planning the arrangement. There will be a great mass meeting of the children of the city Sunday schools in Centenary church on Wednesday next at 4 o'clock, when addresses relating to the day will be given, and an interesting programme carried out. In commemoration of the event, each child will be given a copy of the gospel according to St. Luke, as a souvenir.

CHANGES IN FIRE ALARM SYSTEM ARE ANNOUNCED BY CHIEF

A number of changes have been made recently in the fire alarm system, and several new boxes are now installed. A new running card for fire firemen is in course of preparation, and will be ready for the men in a few days. The following announcements are made by Chief John Kerr:

The fire alarm box formerly located at Walsh's, corner of Pond and Mill streets, has been re-transferred from Elliott street to its original position, and box 57 has been installed at Elliott Row.

Box 9, now in Carleton street, will be removed to Water street, opposite Justice Alley, as soon as box 38 arrives from the makers. The makers, by a mistake, sent box 48 instead of 38 and this has delayed the delivery.

Box 144 will be installed today at the corner of Harrison and Main streets.

IT WAS COSTLY Merritt Resisted When Lockup Was Reached—Fined \$36

When taken in charge last evening on charge of drunkenness, Arthur Merritt went along with the police quite peacefully, and accompanied them from George street to the Water street lock-up without making any resistance, but the sight of the lock-up seemed to make him acquire to pugilistic honors, and he began a stubborn resistance.

After he had bitten, twisted and kicked about, he was finally placed in a cell by Sergeants Campbell and Pollock O'Neil and McNamara. This morning he was called upon by Judge Ritchie to pay a fine of \$36 or spend a few months in jail.

Benjamin Wood, George Giddies, and John Powers were each fined \$4 for drunkenness.
