ST. JOHN BRIDE WEDS AT FORT WILLIAM, ONT.

St. Luke's church, Fort William, Ontario, decked with flowers, was the scene of a very interesting event at 9 o'clock on Monday evening, June 26, when Rev. S. M. Rankin performed the rite of matrimony at the wedding of Miss Alice Isabel Wilson, daughter of the late Alexander Wilson, of St. John, N. B., and Thomas Butters, son of Mr. and Mrs. W. R. Butters, of Hastings, Ontario. The bride, who was given away by R. J. Scott, looked very fine in her travelling suit of silver grey cloth, the smallest of which she opened over a white lace blouse. Her hat was of silver grey braid and tulle, relieved with a band and facing of lead green velvet and pink chiffon roses. She wore her bridegroom's gift, a superb pair of pearls and gold, and carried a bouquet of exquisite pink roses. She was attended by her sister, Mrs. H. C. Carvel, as matron of honor. The wedding music was furnished by St. Luke's choir, and a large number of friends assembled in the church to witness the ceremony, the bride being one of the most popular and active members of St. Luke's congregation. Immediately after the ceremony, Mr. and Mrs. Butters left by boat for Detroit. On their return they will live in Catherine street.

CHARLOTTE STREET FIRE

Blaze in Basement of W. J. Nagle & Son's Furniture Store

Fire broke out this morning a little after 11 o'clock in the basement of the three story brick building at the corner of Duke and Charlotte streets, in which W. J. Nagle & Son conduct their furniture store. The fire was discovered in the basement, which is used as a workshop and partly as a store-room, and an alarm from box 25 was rung in. The department was quick to respond, but the blaze was difficult to combat, as it took more than half an hour before the fire was finally put out. The damage was done mostly by smoke and water, and was confined more particularly to the downstairs portion of the building. In the store itself there was a large quantity of furniture, but little damage was done to it.

THE PLAYGROUNDS OPENED; HAPPY TIME FOR KIDDIES

Many at Aberdeen and Centennial Gates Awaiting the Word To Start the Season of Good Fun

Before 9 o'clock this morning a crowd of children were at the gates of the Aberdeen school grounds, and before 10 o'clock more than 100 of them were busy at the swings, slide, teeters and blocks. The sand had not yet arrived.

Miss Melick and Miss Turner had a busy morning, assisted by Mr. Gray, the janitor of the school. They talked a day or two to get the playground fully organized. On Saturday Messrs. Jones, Johnston, Collins, Rishbeth and Goldsworthy, of the Every Day Club, joined the president of the school in fitting up the grounds for the opening. They put up the swings, slides, and teeters, and did a lot of other work. The task was not completed till after 6 o'clock. At last night's meeting of the club, the president expressed appreciation of the devotion of the members who gave a holiday to hard work for the benefit of the children.

The Centennial playgrounds were auspiciously opened at 10 o'clock this morning and about 300 children of all ages swarmed about the grounds to enjoy the same. Swings, teeters and merry-go-rounds received attention, and it is safe to say that every tot present enjoyed the hours to the fullest extent. Two instructors, Miss James Maxwell and Miss Martha Turner, were on hand, and will look after the children during the term. Miss Mabel Peters and Mrs. D. P. Chisholm visited the grounds during the morning. T. S. Hill, janitor of the school building was also present and looked after the interests of the little ones.

This afternoon the attendance is somewhat larger, there being all of 400 hundred boys and girls on the grounds. The basketball court has been laid out, and games will be played during the afternoon.

The treasurer of the Centennial playgrounds, acknowledges, with many thanks, the following donations—A friend, \$2; H. L. Coombs & Co., \$2; A friend, \$1; Mrs. C. F. Woodman, \$10; Mrs. J. L. McDevitt, \$5; Lady Le Tour Chapter, Daughters of Empire, \$15.

Manager Page Makes Announcement of New Shortstop and Pitcher for the St. Johns

Harry Pinkerton, a shortstop who played with the Worcester team last year, arrived in the city this morning on the Boston express and will figure in the lineup of the St. Johns when they play Calais on Thursday. Pinkerton is said to be a good man and ought to strengthen the Saints greatly. Manager Page of the St. Johns also received a letter this morning from Charles Comaker, manager of the Chicago White Sox stating that he could have Pitcher Al Sweet just as soon as he needed him.

It is likely that Sweet will also figure in Thursday's game. He has a good record as a pitcher, last year winning twenty-one out of twenty-two games and having nine shut outs in the number. With Ford, Hite and Sweet on the pitching staff Manager Page expects his team will make some of the good ones lustle.

EXCUSES DO NOT COUNT

Objectors to Double Tax on Dogs—But No Tag Without the Double Fee

Although for some time considerable publicity has been given to the importance of owners of dogs securing licenses before the last of June, there are many who have not done so. Several this morning were visitors to the office of the mayor's clerk, Clarence Ward, for whom they made an interesting session. Strenuous objections were taken by the majority of the owners of canines to the payment of the double license fee, and various excuses were made as to the reasons for not having secured licenses before the time.

One man had left the matter for his wife to attend to. She in turn had asked her uncle, but uncle had forgotten, they had likewise forgotten, with the result that they had not taken advantage of the "bar-tan sale" of tags. Other men said they had been out of town, others had been very busy, and so on, a great variety of excuses were offered. But nevertheless, the fee according to the law is now double.
