FROM EATING CANDIES

DEATH OF EIGHT YEAR OLD GIRL AT LONDON.

London, Aug. 2.—Josephine Armstrong, eight years old, second daughter of David Armstrong, 365 Adelaide street, died at Victoria Hospital yesterday under peculiar circumstances. The girl was taken ill two weeks ago, after eating a quantity of colored candy. Dr. Humer Black, the attending physician, attributes death to uræmia brought on by the poisonous coloring used in the sweets. The child had a delicate constitution.

Motorman Helpless.—Man Crushed. Toronto, Aug. 3.—Crushed between his demolished wagon and the crushed fender of a street car, George Stephenson, 43 Broadview avenue, was carried over 100 yards on Saturday night. Even then Motorman Robert Williams (1089), who declares that he was paralyzed by an electric shock from the power lever, did not stop the car, which was brought to a stop by a passenger having presence of mind to pull off the trolley pole from the rear of the car. Stephenson was driving a grocery wagon north to Broadview avenue at 9 o'clock. He turned to drive west into Kintyre avenue, and was struck by the car, also northbound. His head and body are terribly bruised, his right trouser leg was torn completely away.

Drowns in Humber. Toronto, Aug. 3.—Because some over-modest person called out a warning that it was against the law to dive into the Humber naked, when several persons were preparing to go to the rescue, and because some over-zealous person called out to a launch that was turning back, that everything was all right, "don't bother," the life of Thomas Fitzpatrick, aged 19, of 248 North Ligar street, was lost in the Humber yesterday afternoon.

Candy Poisons Child. London, Aug. 3.—Josephine M. Graham, aged 8, died at Victoria Hospital this morning as a result of being poisoned by eating a number of colored candies. The little girl ate a large number of small candies and was taken very ill. The doctor in attendance states that the coloring used in the candies was poisonous, and being absorbed into the system, caused death.

VOICES OF THE PEOPLE

The editor does not hold himself responsible for the views of correspondents under this heading.

THE PIONEERS OF OXFORD AND THE NEW LIBRARY.

To the Editor of The Chronicle:

Dear Sir:—Since Ingersoll is going to have the new library, why not go one better, and have arranged in the plan, a room, or suite of rooms to be dedicated to the dear old folks who have passed off the stage. It seems a pity this idea was not carried out in the building of Oxford's magnificent Court House, but as it was not (so I'm told) why not Ingersoll take the lead and do a little something in honor of the brave hearts and willing hands that helped to build the foundation of our country.

Our country is growing in greatness the world conceded. Then why not share the glory with the grand old people who gave the years of their lives in patient laying this firm foundation to build on? Riches could be preserved, either donated or loaned by friends. Paintings or other suitable works of art could be accepted to adorn the walls and in very sure some would be offered. And so perhaps we might have an art gallery too, even if it were only on the miniature plan, to begin with.

Perhaps you will think this Samanthia's logic (Joshua Allen's Wife) "Taking time by the forelock," but never mind, let the generous minded people give it a kind thought and see what may be the outcome.

Yours for Success,
An Interested Onlooker.

CHRONIC DIARRHOEA RELIEVED.

Mr. Edward E. Henry, with the United States Express Co., Chicago writes: "Our General Superintendent Mr. Quick, handed me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy some time ago in check an attack of the old chronic diarrhoea. I have used it since that time and cured many on our train who have been sick. I am an old soldier who served with Rutherford B. Hayes and William McKinley four years in the 23rd Ohio Regiment, and have no ailment except chronic diarrhoea, which this remedy stops at once." For sale by G. A. Lonsdale.

DIED.

HARR—IN Ingersoll on August 2nd, 1908, Mary Adams Barr, widow of the late George Barr, aged 73 years.

Funeral services at the family home, Thames street, north, at 3 o'clock, Tuesday, August 4th.

WILL THIS DO THE TOWN GOOD?

Exaggerated and Unreliable
Ingersoll News Service of
an Outside Newspaper

Another evidence of the unreliability of the Ingersoll news service in an outside Daily was furnished on Saturday in an exaggerated and highly colored article relative to the proposed Labor Day celebration. While the Caledonia Society has in contemplation a military demonstration which should be of much interest to the townspeople, and those of the surrounding districts it is not the intention of the Society to make an effort to suppress the great celebration of May 25th, as stated in the Ingersoll correspondence of the outside daily. There are many reasons why it would not be advisable for the Caledonia Society to undertake another celebration on Labor Day of the magnitude of the one recently held. The chief reason is that it would involve too great an expense in view of the patronage that could reasonably be expected after the large and successful celebration of a few months ago. In the Ingersoll correspondence of the outside Daily stress has been laid on the probability of the Caledonia Society putting on a Labor Day celebration, which will eclipse that of May 25th. This thought never entered the minds of the members of the Society and the publicity which the proposition has received in the outside Daily alluded to has placed the Society in an entirely false light.

Apocryphal from this phase of the situation another misleading statement has been made in the same correspondence. This is to the effect that the 22nd Regiment and band would likely be engaged for the celebration. The Chronicle has been informed that the Society has never given any thought whatever to securing the Woodstock Regiment and band from the time that the proposed celebration was first mooted. The St. Thomas Regiment was strongly endorsed and no mention was made of the Woodstock Regiment. It was further learned by the Chronicle that at the time he was furnished with particulars of the meeting of the Caledonia Society at which the proposed celebration was under discussion, the correspondence of the outside Daily suggested that the 22nd Regiment be included in the programme. We are old that it was solely on his own responsibility that reference was made by him in the Ingersoll correspondence of the outside Daily of the probability of the 22nd Regiment being engaged. The circumstances, say the least are very suggestive of a deliberate effort to foist the 22nd Regiment of Woodstock upon the Caledonia Society, and the people of Ingersoll.

The present instance is only one of many where unreliable news has found its way into the Ingersoll correspondence of the outside Daily.

LONDON OLD BOYS

Ingersoll's Contingent On
Parade This
Morning

Ingersoll's contingent of London Old Boys will not be passed unnoticed in the vast gathering at the great Reunion. The contingent, numbering in the neighborhood of fifty, left for the Forest City on the 10:22 G. T. R. train this morning. The parade to the depot attracted a great deal of attention. The Old Boys wore party white caps and marched with perfect time to the lively airs played by the Citizens' Band.

In addition to the Old Boys a large number of Ingersoll people are attending the Reunion. The attendance from this town will be magnificently increased this evening when many will witness the Forest City procession, to witness the Mardi Gras procession.

WHAT IS BEST FOR INDIGESTION?

Mr. A. Robinson of Drummond, Ontario, has been troubled for years with indigestion and constipation. Chamberlain's Stomach and Liver Tablets as "the best medicine I ever used." It troubled with indigestion or constipation give them a trial. They are easy to take and pleasant in effect. Price, 25 cents. Samples free at G. A. Lonsdale's drug store.

SAFE AT FERNIE, B.C.

DR. NEFF RECEIVES MESSAGE FROM DAUGHTER, MRS. H. H. DEPEW.

Dr. Neff this morning received the following telegram from his daughter Mrs. H. H. Depew of Fernie, B. C., which was swept by fire on Saturday and Sunday: "Fernie swept by fire. Our house and we are safe." Up to the time this message was received there was much anxiety among relatives and friends here for the safety of Mr. and Mrs. Depew and Mrs. Neff and daughter Helen, who have been visiting them for several weeks. The message was sent from Canbrook under yesterday's date.

Particulars of the great conflagration at Fernie will be found on page three.

HAVE YOU UGLY WARTS?

Cure them with Putnam's Painless Corn and Wart Extractor. Fifty years success is a guarantee of its merit. Beware of substitutes.

SULTAN IS DARING.

He Goes Abroad In Constantinople For First Time In 32 Years.

Constantinople, Aug. 3.—A decree was read last evening before the sublime porte, solemnly upholding the constitution and enumerating all the exceptional measures of the old regime which it declared now have been completely abolished.

Abdul Hamid took a walk among the people in the streets for the first time since his accession to the throne in 1876. He was accompanied by a single official in plain clothes and returned to the Yildiz Kiosk unrecognized, as the people are not acquainted with his features and, therefore did not know him.

As soon as the news of his remarkable departure from the habits of the Sultan became generally known there was a rush of Turks to the palace and much enthusiasm followed.

Izzet Pasha, the former sub-secretary of the Sultan, who a few days ago was given a post that amounted practically to exile, has succeeded in making his escape from Constantinople. He left the German Embassy at Therapia and boarded the British cargo steamer Maria, bound for Mediterranean ports. The young Turks made active efforts to stop the Maria, even applying to the British Embassy to compel the surrender of Izzet.

CANOE UPSETS.

One Is Drowned and Two Barely Escape In Toronto Accident.

Toronto, Aug. 3.—Percy J. Wall, 22 years, department superintendent with Ryrie Brothers, Yonge street, was drowned in the lake 100 yards out from the G. T. R. pumping station at New Toronto on Saturday afternoon.

Edward J. Eale, 688 Ontario street, and W. H. Cutts, 45 Bleeker street, who were with the young man in the canoe which upset, were barely saved from death by the quick work of Constable McCallum, George Crouse and Ed. Sarsetti, all of New Toronto, who went out in canoes and rescued them from the water where they were struggling in the choppy sea to hold on to the overturned canoe. Within ten minutes after the canoe had upset a launch with two men approached and passed within twenty feet of the capsized canoe and the two imperiled youths.

They shouted to the launch, "We can't hold on much longer, one has gone down now," but all they got in reply was a laugh and a wave of the hand. Then after about 20 minutes left for the Forest City on the 10:22 G. T. R. train this morning. The parade to the depot attracted a great deal of attention. The Old Boys wore party white caps and marched with perfect time to the lively airs played by the Citizens' Band.

In addition to the Old Boys a large number of Ingersoll people are attending the Reunion. The attendance from this town will be magnificently increased this evening when many will witness the Forest City procession, to witness the Mardi Gras procession.

DIARRHOEA CURED.

"My father has for years been troubled with diarrhoea, and tried every means possible to effect a cure without avail," writes John H. Zirkle of Philippi, W. Va. "He saw Chamberlain's Colic, Cholera and Diarrhoea Remedy advertised in the Philippi Republican and decided to try it. The result is one bottle cured him and he has not suffered with the disease for eighteen months. Before taking this remedy he was a constant sufferer. He is now sound and well and although sixty years old can do as much work as a young man." Sold by G. A. Lonsdale.

Samuel Wharton, of St. John, aged 55, was killed by falling from a chimney at Dalhousie.

An irrigation block of 20,000 acres at Calgary, has been sold to German farmers of North Dakota.
