VOL. 6, NO. 30

To U. S. \$1.10 A YEAR.

BAY ROBERTS, Nfld., FRIDAY, JULY 24, 1914.

80 CENTS A YEAR, IN ADVANCE

Thanks Orange Brethren

(Editor the Guardian).
Dear Sir,—Please allow me space in your valued paper to express thanks to the brethren of Bay Roberts who so kindly came over to help us celebrate the 12th of July. We will always regard them as true Orangemen. A man's loyalty is shown by his sacrifice, and I am sure our brethren from Bay Roberts did this. We also wish to thank all other brethren and the Topsail Band for rendering the musical selections so well.
This is my first time writing to your paper, but I assure you it will not be the last. You will get a little news from Wabana every now and again. The comrades of Bell Island were glad to see their old friend and brother, Adj. Higdon, again. Bay Roberts seems to agree with him, for he is just as fat and jolly as ever.
Wishing your paper every success. I remain yours truly,
RICHARD BUGDEN.

"Yes sir, you will get more for your money in service and satisfaction, by using
Brandram-Henderson's "English" Paint
than you can get with other paint:
Longer Protection, because B-H "English" is primarily an endurance paint and will successfully withstand the effects of weather longer than others;
Greater Economy, because you will not have to repaint nearly as soon as with other paints; and
Greater Satisfaction, because B-H Paints retain their beauty and weather resistance for years.
The Reason, for this is that all B-H "English" Paints that can be made on a white base contain
70% Brandram's B. B. Genuine White Lead
30% Pure White Zinc.
A combination that produces paints unexcelled in covering capacity, beauty, brilliancy and durability. This formula is positively guaranteed by the makers.

Cricket Match

Carbonear Wins

A number of cricketers with their friends came from Carbonear on Wednesday and played a cricket match with an eleven selected from the Western Union Athletic Association. Owing to a time limit being placed on the game, which commenced several hours late, Bay Roberts did not play its second innings, and the victory went to the Carbonear boys. The following were the players and the scores:

A number of visitors from Carbonear watched the game, the day being observed in that town as a weekly general holiday. Messrs. Steve Pike and C. Butt umpired the match.

Miss Louie Moore, S. A. school teacher at Ragged Harbor, arrived home on Monday, July 13, to spend her summer holidays.

Miss Short, Principal of the Training School, St. John's, is in town, the guest of Mrs. Edward Taylor.

Mrs. Wilfred Whiteway and Miss Gertie Whiteway arrived here from St. John's on Wednesday to spend the summer.

Bareneed Notes

Death has again visited our town and taken from us Emmie Batten, beloved wife of John F. Batten. She was called to rest on July 10th, the death summons coming very quickly. Mrs. Batten had been sick for a week, and her friends were all looking forward to her recovery. Deceased was 35 years of age. She is survived by a husband and five young children. Mrs. Batten was a true and loving wife as well as a good friend and neighbor. She was loved by all who knew her and we believe that she is now resting at peace safe in the arms of Jesus.

The funeral took place on Sunday, 12th inst., and was largely attended, her body being taken to St. Mark's Church where an instructive sermon was preached by Rev. Frank Severn, the text being 1 Timothy 2:15. After the sermon the mourners retraced their steps back to the Church of England cemetery, where interment took place. To the mourners and little orphan children we extend our sincerest sympathy.

Mr. Abraham Richards and wife came from St. John's last week to settle down in his old home. Mr. and Mrs. Thomas Pave and child also arrived from British Columbia. They are going to reside with their parents and probably may make this their future home.

On Monday evening, 20th inst., Mrs. Isaac Boone sent her little 5-year-old daughter, Margaret, on a message to a neighbour's house. After delivering her message the little one made her way to the public wharf, just opposite the neighbour's dwelling, and fell into the water. She was in a drowning position when Hubert Allen Ash, a visitor to Bareneed, went down on the wharf alone to enjoy the game of catching little fish. There was no one to be seen around anywhere at the time as everyone was to tea. As he drew near the head of the wharf he heard something flapping in the water, and thinking it was a caplin, as they were very plentiful around there that day, he went and looked over where he heard the sound coming from and discovered that it was a little girl. He could not reach the child with his hand as she was too far off, but he took an oar from the wharf and tried to save the child but she was not able to catch it, so he pushed her in with the oar until he could reach her. Then holding a plank of the wharf in one hand he reached down the other and safely brought the little girl to land. The child sank to the bottom twice while he was trying to recover her but no one came to his assistance. The little girl has been very sick since. Her life was spared by the presence of mind of Hubert Ash who is but a child himself, only 9 years old.

Bronze Motor Boat Propellers.

We have just received a large Shipment of TWO and THREE blade "Solid Bronze" Motor Boat Propellers.

Our Bronze Propellers are designed on the true screw principle; they have large blade areas, and are therefore particularly efficient in attaining the highest speed, and also give the best results when used in connection with heavy duty Engines, such as are now in use all around our Coast.

Owing to the special design of our Bronze Propellers, they are unequalled for towing.
