

Department of Indian Affairs.

Mr. Peckley

Ottawa, Feb. 12 1912

Referring to letter hereunder dated the
6th inst. I would suggest that the offer of
\$2500 for the recovery of the body of the late
Chief Natchee be approved.

I would also suggest that the Dep-
artment employ Counsel to defend Thomas
Kippok on his trial for the murder of the
late Adam John at the Spring Assizes
at Sarina.
