Dr. Price's Liver Pills

NOT TOO LARGE TO SWALLOW
NOT TOO SMALL TO ACT.

One of these small Pills, taken at night, will clear the stomach, cure headache, backache, indigestion, etc., and a hundred other ills that flesh is heir to.

They act on the LIVER and the KIDNEYS and that's the SECRET of their SUCCESS.

CHILDREN take them readily, and the action is just right, not violent and harmful, but gentle and effective.

WOMEN do not dread them. One can be taken at any time after meals or at bedtime. They tone up the bowels, and thus constipation, the bane of a woman's life, is cured.

PILES are relieved and cured by their use.

Fifty Pills in a Bottle for 15c., or Two Bottles for 25c. Sent by mail on receipt of price by
