RECOMPENSE.

PUT YOURSELF IN MOTHER'S PLACE.

"Why, how queer!" said Hattie, dropping her book and looking at Kate, able point, but poor patient father the lesson we had learned by putting our the lesson we had learned by the lesson we had learned wonderingly. "George hasn't written pitied our infirmities and ate what was selves in her place; when we told her to any of us in an age, and never to ma. What secret's brewing now, I It went on this way for about a fort-

home on a visit," I said. "Not so early in the spring as this," only ten minutes of peace, and then an returned Hattie, sagely; "Millie and ominous "ahem" from father caused rich reward of our struggle with idleness house-cleaning can't be separated."

At that moment mother, who had her face from us, cleared her throat, and wiped her eyes on the corner of

tie and I sat in wondering silence.

There was no answer for a moment. then, turning slowly towards us, she with typhoid fever, and George has written to me to come to them. Dear child, I wish it was so I could go."

course you must go, and take one of us girls along to help nurse, too."

you manage?" see; the express goes at 6.30 and it's 5.30 now-just an hour. Go and get ready, mother, and Cad and I'll pack your valise."

"But your father-" "We'll take care of him, never fear, you like it?" and he'll be home before you go. Hat, you're not fit for much at home except to run errands and keep awake nights,

gathered together their clothes, and as that." bringing the valise from the wardrobe, was packing them into it in a manner which foretold their coming out a mass of wrinkles, I meantime looking helplessly on. By dint of her earnest them to the depot.

responsibility we had undertaken weighing on our minds. "There's supper to get of course, and Nellie can wash the dishes. That's all, isn't it.

"Mother said something about bak-

promptly that I was silenced. Let's ish, that I shall burst if I don't out with see what's for supper; light bread, it." cookies, float and dried beef. Very good. The clouds disperse and the sky | ventured to remonstrate. is most serene and fair. Set the table. Cad, while I make the tea."

tive glance over our lives up to this father die yet awhile." point, they will no doubt the better understand why we were all so ignorant of household affairs. There was a large more than you have, until the past two family of us—10 children in all, John, weeks; but it seems to me now, I could KENDALL'S SPAVIN CURE, CHAMPAGNE. Hattie a studious girl of 16; Ross a boisterous school-boy of 14; Nellie, a delicate, petted child of 11; and three delicates are delicated as a second respective.

way, and spoiled us through indulgence; gets home? It will be vacation next COL. L. T. FOSTER. and, as we had often heard her say she week, and Ross and Nellie will be here to

and its responsibilities, we found ourselves with a mountain of difficulties to surmount, and a pretty mess we made of it for a few days too. It was not father's room; hitherto a bare, sparsely ON HUMAN FLESH of it for a few days too. It was not difficult to get through supper, thanks stamp of self-denial upon it there had all of it for a few days too. It was not difficult to get through supper, thanks to mother's provident hands, but when the next morning we found the bread was out, the cookies all gone, and not a stray pie for dinner, our troubles began —and they deepened and broadened with every passing moment, as we bewer the state of the state of

mother's skilful hands to straighten out house and witnessing her delight and surthe tangled threads our awkward hands prise mingled with little soft-hearted rehad managed to produce. There was bukes for our working so hard while she "A letter from George," exclaimed sister Kate, coming in from the post-office and holding up for our inspection a large yellow envelope. "And addressed to mother; isn't it funny?"

"To me!" exclaimed mother in turn, laying down the blue sock she was and in a few days I became laying down the blue sock she was something to produce. There was something to be done from early morn did was gone. But when she came upon her own room, and her eyes fell upon the bright new carpet, the bed with its snowy spread and ruffled pillows, the easy chair and dressing table with all its little appointments, it was really refreshing to hear her exclaim over the extravagance was gone. But when she came upon her own room, and her eyes fell upon the bright new carpet, the bed with its snowy spread and ruffled pillows, the easy chair and dressing table with all its little appointments, it was really refreshing to hear her exclaim over the extravagance was gone. But when she came upon her own room, and her eyes fell upon the bright new carpet, the bed with its snowy spread and ruffled pillows, the easy chair and dressing table with all its little appointments, it was really refreshing to hear her exclaim over the extravagance was pone. But when she came upon her own room, and her eyes fell upon the bright new carpet, the bed with its snowy spread and ruffled pillows, the easy chair and dressing table with all its little appointments, it was really refreshing to hear her exclaimed mother in turn, and English common Bota Iroo and Pio Iroo.

Respectfully yours,

P. V. CRIST. "Yes, Caddy, I didn't notice it any master workman in one of the machine | count every furrow in father's care worn

delicate, petted child of 11; and three littie boys all in a row, aged respectively 9, 7, and 4, whom we called Tip, Earlie and Benny. And mother did the work for all of us. I dont know how she managed it but she did. Milly was the only one who had ever taken to housework, and mother was one of those domestic burden bearers who never considered their burdens so heavy but that they can add another trifle.

Father had never been fortunate, pecuniarly; and being anxious to give all the children a good education, the labor of saving for this end was added to their other toil. And then, like many another good and unselfish, but unwise mother she allowed us our own way, and spoiled us through indulgence; and, as we had often heard her say she she that they can able of rere development. But how monent, "with a mind capable of rare development. But how much time do you suppose she has had for reading and reflection beyond the wants and necessities of her large family?" And don't you know, Cad, how often we have don't you know, Cad, how often we have the considered their burdens so heavy but that they can add another trifle.

Father had never been fortunate, pecuniarly; and being anxious to give all the children a good education, the labor of saving for this end was added to their other toil. And then, like many another good and unselfish, but unwise mother she allowed us our own way, and spoiled us through indulgence; and, as we had often heard her say she

week, and Ross and Nellie will be here to help us."

To this plan I gladly consented, and then went to bed. When we arose next adishes and make becs, and were familar with some of the minor details of cookery; but to be able to keep the domestic machinery well oiled and in constant motion was to us like trying to converse in an unknown tongue. And so now, without adequate knowledge of work and its responsibilities, we found our and the responsibilities to the responsibilit

came painfully aware that making bread And now, with all in readiness for her And now, with all in readiness for her coming with a well cooked meal upon the table, with an air of thrift upon everything, which gave us the nunost satisfaction, we looked for our mother home. But when she came—when we saw the dear face looking eagerly out of the hack window to catch a glimpse of home and its treasured inmates—the revolution of feeling was too much for us and we ran be clothes for us to iron, I was ready to melt in tears, and Kate was so cross it was dangerous to speak to her.

Oh, that weary, weary day! But only the beginning of many similar ones that followed it. How we longed for
