Applicants to Purchase City Lots Must Now be Prepared to Pay More for Them Than Before the Boom Times Came - Special Meeting of Safety Board Yesterday.
A special meeting of the safety board was held yesterday to deal with applications to purchase city lands. Evidently the aldermen have caught the spirit of the real estate boom, for instead of offering cut rate prices, as they used to do, they decided to raise prices of city lands or get full information before selling. The board decided to ask Randolph and Baker to pay \$12,000 for lands for which they offered about \$6,000. Those present were Chairman Russell, C. T. Jones, Green, McLeod, Wilson, Potts, Wigmore, J. B. Jones, Elkin, Elliott and Mayor Frink with the common clerk, Director Wisely and Chief Kerr.
Exc-Comm. Fox offered \$800 for two lots on Main street, Fairville near Barnhill's corner, now under lease to him. He said he was paying a ground rent of \$96, but thought the lots were not worth more than \$750. Wilson's lot who only had to pay \$750.
Ald. Green—The city would lose money on your proposition.
On motion of Ald. J. B. Jones, the application to purchase was referred to a special committee to report back.
A. Jardine applied for an option on a number of city lots near Courtenay Bay, saying that he thought he could sell them for manufacturing purposes.
Ald. Potts said the proper way to deal with the city properties on Cour-

NOT ONE WOMAN IN TWENTY HAS A STRONG BACK.
THE KIDNEYS ARE TO BLAME NINE TIMES OUT OF TEN.
Women are coming to understand that weak, lame and aching backs from which they suffer are due to wrong action of the kidneys.
The poisons that ought to be carried off are sent back into the blood, taking with them a multitude of aches and pains. There is no use of expecting relief until the kidneys are restored to health.
Doan's Kidney Pills are the quickest and most reliable remedy. Mrs. Ed. Baxter, Upham, N. B., writes:—"I take a good deal of pleasure in telling you what Doan's Kidney Pills have done for me. I was troubled with my kidneys for a number of years, and my back was so lame I could not sweep the floor. A friend of mine advised me to try a box of Doan's Kidney Pills, which I did, and after using three boxes I am as well as ever. I highly recommend them to anyone suffering from lame back or kidney trouble."
Doan's Kidney Pills are 50 cents per box, or three boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Miles Co., Limited, Toronto, Ont. When ordered direct specify "Doan's."

CANADA MENAGED BY YELLOW PERIL
Newcastle, March 11.—Earl Percy speaking on Japan's supremacy on the Pacific said the position was a delicate one. Japanese immigration had been restricted by the United States and the British Dominions which Japan might resent. Therefore the defensive resources of the Empire should be co-ordinated.
"If we had not a fleet units on the Canadian Pacific Coast, Canada, if attacked by Japan could only be saved by the United States for the German menace would make us unable to do anything in the Pacific."
Machinists to Meet.
The St. John Lodge number 156, International Association of Machinists will hold an open meeting in this room in the Opera House, on Tuesday evening next, March 12th. All machinists are cordially invited to attend.
They say that less than 2 per cent. of college graduates go to jail. Education certainly makes folks cute.

Interesting Discoveries Made in Ruins of the Ancient City - Stove with Boiler in Perfect Repair.
Naples, March 11.—Highly interesting discoveries have been made in connection with the excavations in the ruins of Pompeii.
A street leading to the Forum, which was closed at both ends by stone pillars for the purpose of excluding carriages, now proves to have been one of the chief thoroughfares of the city. It is lined with shops, the walls of which show inscriptions and marble tablets, which are well preserved.
A great quantity of archaeological treasures of great historic value have been found and the investigators have gathered up a quantity of petrified fruit and meat.
In one shop a large terracotta kitchen range was discovered, on the top of which rested an oval copper boiler in perfect condition, containing water which the scientists say has been there since the time of the eruption, nearly two thousand years ago.

THE CONVENTION OF RICHMOND PARISH SUNDAY SCHOOLS
DeBee, March 9.—The Richmond Parish Sunday School Convention met in the Foresters' Hall, DeBee. Both afternoon and evening sessions were well attended.
As James Bartno, the president of the convention was unavoidably absent, Rev. Alfred Gould was appointed chairman. The devotional service was conducted by Rev. Mr. Gould with Miss Eva McNewlin acting as organist, after which the reports of the following Sunday schools in the parish were read—Kirkland, Elmwood, McKenzie Corner Presbyterian, McKenzie Corner Methodist, Union Corner, Plymouth, Belleville, DeBee schools reporting favorably.
Rev. Mr. Ross, field secretary then conducted a round table which brought forth much valuable information and many helpful hints.
The evening session was opened by a brief address by Rev. A. Gould, after which Rev. Mr. Ross spoke for some time, impressing upon his hearers the necessity for their cooperation in the Sunday school work.
The nomination committee reported the following officers for the year—President, Jas. Barton; Vice-president, Henry Hay; Secretary-treasurer, Mrs. J. R. Kirkpatrick, and the superintendents for the various departments as follows—Temperance, Thompson Fleming; home department, Mrs. W. W. Lawrence; cradle roll, Mrs. Grover Fleming; organized classes, Rev. A. Gould, Miss Mary and Jas. Forest.
The Presbyterians W. M. S. met at the home of Mrs. W. W. Lawrence, McKenzie Corner, a large number of ladies being present. As the day of the meeting fell upon the birthday of Mrs. B. D. Hoyt, the honored president, the ladies of the society took upon themselves the pleasurable duty of contributing to a fund to purchase a life membership certificate to be presented to Mrs. Hoyt on her birthday gift.
Mrs. J. S. Matthews made the presentation in a most happy and altogether unique manner, and while Mrs. Hoyt was taken by surprise she responded to the splendid gift in a few well-chosen remarks, thanking the donors who had remembered her birthday.
The Methodist W. M. S. met at the home of Mrs. S. H. Carr, vice-president, Mrs. S. Billings presiding. Mrs. Fred Pawcut was elected delegate to the branch meeting which will be held at Woodstock, June 4, 5, and 6.
A very successful chicken supper was held at the home of Thompson Fleming, Spersville, quite a number from DeBee attended the affair.
Mrs. Gordon Neal and Mrs. W. J. Craig are at Fredericton where they attended the opening of the legislature. While at the capital they are the guests at the Barker House of Premier and Mrs. Fleming.
Mrs. W. Reynolds is visiting at DeBee.
Mr. and Mrs. John Kennedy spent Thursday at DeBee the guests of their son W. L. Kennedy.
Miss Ruby McNeuriln, of Kirkland, is spending the week here the guest of her friend, Miss L. Laverty.
Harrison Crawford, the young son of Mr. and Mrs. Chas. Crawford, is very ill at the home of his grandparents, Mr. and Mrs. Tilley, of Jacksonville.

Fire Department Matters.
Chief Kerr brought in tenders to equip fire department vehicles with rubber tires.
Ald. J. B. Jones objected to having the tenders opened. A committee had been appointed to deal with Chief Kerr's annual report, and there was no telling what the committee's report would be.
Ald. Potts—Why hasn't the committee's report been submitted? You have had three months.
Ald. Jones—We could not find the chief's report.
After some wrangling a motion to open the tenders was adopted.
Ald. J. B. Jones—You can consider me discharged from the committee on the chief's report. I won't take a back-handed ally like that.
Ald. Green—Me, too.
Chief Kerr and Ald. Green debated hotly whether the chief had left his report with the board.
Finally the common clerk said the report was upstairs, but it had been mislaid for a while.
The tenders were opened, quotations being for each separate piece of apparatus and the totals ranging from \$510 to over \$500.
Ald. J. B. Jones—Are you going to equip all the vehicles with rubber tires without reference to the condition of present tires? Wouldn't it be a waste of money to throw away good tires.
The chief said the iron tires were dangerous. They might catch in the street railway tracks and wrench the apparatus to pieces.
A committee was appointed to review the tenders and report which was the lowest.
The board adjourned.
