Shediac

Shediac, N. B., Nov. 7.—The past week might appropriately be termed "All Halloween Week" at the seaside town, for a number of functions were given with ideas and decorations suitable to the spirit of the season. One of the most enjoyable social affairs of the season was the party of Friday evening, when Mr. and Mrs. A. J. Tait threw open their beautiful home, "Brookside," to an Halloween party to a large number of the young people of the town. For some years previous to the war, Mr. and Mrs. Tait annually entertained at Halloween parties, which were looked forward to with pleasure, and the young ladies and gentlemen present on Friday evening, thoroughly enjoyed the event, which in every detail was carried right to the letter, as a Halloween party, with its fantastic and weird costume, and informal sitting around the festive board, which teemed with good things of the season. Another pleasant function to take place on Halloween was the bridge A. Flowers entertained lady and gentlemen friends on Friday evening. At serving time the hostess had as aides: Mrs. M. A. Oulton and Mrs. Belliveau. Pretty score prizes were won by Mrs. J. A. MacDonald and Mrs. Avard White.
At her residence, Main street, East, on Thursday evening, Mrs. A. J. Webster gave a delightful party, in which the decorations were in keeping with the approach of Halloween and the parlors were most attractive under their adornment. In serving her friends Mrs. Webster, as aides Mrs. Belliveau and Miss Bray. At the

close of the same Mrs. Weldon, the guest of honor, was the recipient of a bouquet of yellow chrysanthemums. A pretty souvenir of Halloween went to Miss Evans, while the prize was won by Miss Lena Bray.
Another evening much enjoyed by those to attend, took place from 4 to 7 o'clock on Saturday afternoon, when at her residence on Riverside Drive, Mrs. J. C. Webster was hostess for a bridge of three tables in Miss Weldon's honor. At the tea hour, the aides to Mrs. Webster were Mrs. Jardine and Miss G. Smith.
Mr. and Mrs. J. A. MacDonald are leaving town this week to reside in honor of Mrs. MacDonald, who at her residence, Main street, East, entertained lady friends at cards, when the game was played at four tables; pretty prizes being won by Mrs. Geo. A. White and Miss E. McLanahan. At serving time the aides were Mrs. Belliveau, Mrs. Oulton and Miss McGrath. Miss B. Harper collected the core-cards.
Mrs. J. D. Weldon and Miss Mary Weldon left town on Wednesday for Montreal.
Rev. Mr. Tomlin, rector of St. Andrews Church, Shediac Cape, officiated at an interesting event in the Church, Tuesday evening, when he officiated at the marriage of Mr. G. Hamilton to Mrs. Reginald Wedding. The bride was attended by Mrs. W. R. Weddall at the personae.
Miss Edna Cormier has returned from a visit to friends in the North of the Province.
Mrs. H. S. Bell, Moncton, spent part of the week in town with her sister, Mrs. D. S. Harper.
Mr. Robert Dymart of Boston, is spending a short time at his old home in Shediac.
The many friends of Rev. and Mr. Tomlin are glad to know he is home again from Toronto, where he recently underwent a serious operation. The sympathy of their many friends is being extended to members of the family of the late Mrs. Jacob Hebert, who died suddenly at her home in the East End, at an early hour Thursday morning. The funeral took place at St. Joseph's cemetery on Sunday afternoon and was largely attended. Mrs. Hebert is survived by four sons: Messrs. John, Abbie, Charles and Gordon Hebert, late of overseas, and three daughters, Mrs. Mahan, residing on the Dorchester Road; Miss Gussie at home; and Miss Annie, engaged in professional nursing in the United States and who came home for her mother's funeral.
Mrs. Hebert will be an exchange of pulpits at the Sunday evening service be-

tween Rev. Mr. Lewis of Knox Church and Rev. Dr. Weddall of the Methodist Church.
Mrs. A. J. Webster is in St. John this week.
Rev. Dr. Weddall was among Shediac people this week in Moncton.

Another Epidemic OF THE SPANISH INFLUENZA

A great many authorities have predicted a return of that terrible plague which swept Canada from one end to the other not long ago and left so many deaths in its wake, and those who did survive were left in a great many cases with some serious after effect such as weak heart, shattered nerves, impoverished blood and a general weakened and exhausted condition of the system.

The Boy Went Whistling Down the Street---

The other day a woman came from her kitchen to answer a knock at the front door. A boy gave her a telegram. The telegram told her, her son was dead. He died as a result of wounds received more than two years ago.

The boy went whistling down the street.

The woman went back to her work and—grief.

This incident is told to remind you that, for many people, the war is not yet ended. Don't you go whistling down the street. The war is not ended for you, until war incurred costs are paid. It is your duty to buy Victory Bonds to the limit of your resources.
