

We wish to convey our grateful thanks to the Editors of the "Acadian Recorder," "Evening Mail," and "Morning Chronicle," for so kindly continuing to insert notices of our meetings free of charge. Thanks are also due to the British and Foreign Book and Tract Society for their kindness in sending papers for distribution at Rockhead Prison.

The committee of the Women's Christian Association wish to place on record their sorrow at the removal from their midst of Mrs. J. Parsons the most valued Treasurer of the Women's Home,

A constant attendant at the meetings of the Association, her good judgment and wisdom could always be relied upon, and they therefore feel that their loss, as an Association, is very great.

Another faithful labourer in the person of Miss Mary Starr has also been called away during the past year, and the Association wish also to express their sense of loss in her departure.

"Blessed are the dead which die in the Lord, from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them."

FANNY S. PRYOR,

*Sec'y W. C. Association.*
