

CHICAGO MARKET.

DECEMBER WHEAT VERY ACTIVE —
OPENINGS HIGHER AND MARKET
STRONG.

Chicago, Sept. 22.

On higher cables the market today made generally strong openings, and in December wheat followed this up by brisk trading that pushed prices up from 71½ to 72 and over. This option looked like getting to 73.

Cables from Liverpool tell of weather very changeable and that Argentine shipments amount to 1,280,000. First cable stated that wheat was ¼ higher, firm, with good demand, and corn as ¼ higher, holding very firm. Second cable showed wheat ¼ higher, firm.

Receipts today are: Wheat, 147 car lots, shipments, 114,554; corn, 785 car lots, shipments 29,000; oats, 256 car lots, shipments, 13,723.

Primary receipts last week, 1,245,137, shipments 443,853; last year, 1,069,273, shipments, 777,997.

The market was exceptionally strong and active today in all varieties of wheat. The gain for the day in each option being more than 1 cent. The higher price, therefore wanted by farmers as being the right one, worked for by speculators as desirable and possible, and declared to be necessary for getting enough to supply foreign and domestic demand has prevailed today in Chicago market. Brokers and all hope that the high price of today will be continued, as it would advantage every business connected with the grain trade.
