

for in the memorials or petitions, or has any other jurisdiction in the premises. Their Lordships have decided that the Governor-General in Council has jurisdiction, and that the appeal is well founded, but the particular course to be pursued must be determined by the authorities to whom it has been committed by the Statute. It is not for this tribunal to intimate the precise steps to be taken. Their general character is sufficiently defined by the 3rd Sub-section of Section 22 of the Manitoba Act.

It is certainly not essential that the Statutes repealed by the Act of 1890 should be re-enacted, or that the precise provisions of these Statutes should again be made law. The system of education embodied in the Acts of 1890 no doubt commends itself to, and adequately supplies the wants of the great majority of the inhabitants of the Province. All legitimate ground of complaint would be removed if that system were supplemented by provisions which would remove the grievance upon which the appeal is founded, and were modified so far as might be necessary to give effect to these provisions.

Their Lordship will humbly advise Her Majesty that the questions submitted should be answered in the manner indicated by the views which they have expressed.

There will be no costs of this appeal.
