CAREERS

The work that you choose to do will have a profound effect on the way you perceive both yourself and the rest of the world. A true career is not merely the means to earning a living; it provides a focus for your endeavours and an opportunity to fulfill your potential.

Chartered accountancy is a career which offers a myriad of opportunities for professional growth and individual self-realization.

For those of you who choose chartered accountancy as the foundation of your career, we believe that Coopers & Lybrand offers a unique environment for the growth and development of your skills in a variety of areas including accounting, auditing, taxation, management consulting, computer services, insolvency and valuations.

If you are an ambitious, bright university graduate from any discipline and are looking for a challenging career, we'd like to talk to you.
