Berlin, Ont., Nov. 14, 1910.

Hon. W. L. Mackenzie King,  
Minister of Labour,  
Ottawa, Ontario.

Honourable Sir,-

The Canadian Manufacturers of Shirts, Collars and Cuffs, and Overalls, beg to submit for your consideration the attached documents, showing why reciprocity with the United States would be fatal to our various lines of manufacture.

We would especially call your attention to the very large increase in the imports of our lines during the past year.

Yours respectfully,
