Right Honourable Arthur Meighen,
Leader of the Opposition.
Ottawa.

Dear Mr.Meighen :-

I acknowledge receipt of your letter of the 17th. enclosing one from Mr. P.C.Armstrong of Sweetsburg. P.Q. which is very interesting indeed and very much along the lines which we have been putting forth during the past year. It is so close to our program that I feel that Mr.Armstrong must have heard about it .

I am keeping his name and address and will keep in touch with our people. Will communicate further with you on this subject as soon as I have seen our friends. In the meantime I am returning Mr.Armstrong's letter .

With kindest regards,

Yours very sincerely

D. D. Esperance
