

Royal Electric sold down to 201 at the beginning of the week, but has since rallied and closed strong at 207 1-4, an advance of 3 3-4 points over last week's close. The trading involved 1,500 shares. There are several rumours of an impending deal between the Royal and the General Electric Company, but as yet nothing definite has been announced.

Richelieu & Ontario closed at 106 1-2, and Dominion Cotton at 90.

Laurentide Pulp was quoted at the close at 120 asked and 112 bid, but no sales have been made during the week under 120.

North Star.....	96	97 1-2	10,600

North Star is the only stock on the mining list which shows an advance at the close over last week, and the trading in these securities has been on the light side.

The Centre Star (unlisted) have decided to pay a dividend of 1 per cent., but it is not yet announced whether future dividends will be payable monthly or quarterly. The first payment will be made some time in January.

Shipments from the North Star for the month of October totalled 2,415 tons, and from The St. Eugene Consolidated 3,007 tons.

The Rambler- Cariboo are about to erect a mill on their property.

A net return of \$1,100, is reported from a shipment of 5 tons from the Slocan City.
