

## "Soil Cultivation" is doing for Colorado

### Just These!

It is reclaiming without the enormous expense of irrigation some of the richest farm lands on the earth—the mellow, sandy loams of Eastern Colorado, on the great Bijou Ranch in Elbert County. It is making Denver and other near by cities sit up with wonderment at the rapid progress made by Colorado farmers who are following the system of "Soil Culture" taught by Mr. Campbell. It is making poor men wealthy. It is putting on the market at a low figure—\$50 to \$100 per acre—that rich and fertile Bijou Ranch—only 65 miles from Denver, 42 miles from Colorado Springs, and only 2 miles from Union Pacific or Rock Island Railroads. Here you can buy virgin soil, mellow and deep, which raises cereals, fruits, alfalfa, vegetables, sugar beets, melons, etc., etc. (See 30 inch corn in cut of right.) Here with 2 horses, 10 cows, 5 brood sows you can clear \$1000 a year on an 80-acre tract.

### A New Book Free

Don't make a move buying real estate near or far till you get our brand-new illustrated book—warm from the press—entitled, "The New Colorado." It answers the majority of your questions such as: How much money you'll need to have to get a

start; what the climate is, the rainfall, the soil; how near water is to the surface; how long you'll need to wait for profits; cost of coal, wood; nearness of schools, churches, etc., etc.

This book is not old, rebashed information, but is compiled from fresh, live facts recently obtained from new settlers and old timers on this ranch.

"Hurry to Colorado" and get a good choice of the fertile lands. Now's your opportunity. Don't treat it lightly. Send for the free book now and decide. Address, Dept. 42
